The organizer will control speed as well as the manner of driving during reconnaissance. The police will also supervise on the route and may penalize traffic infringements according to the Finnish Traffic Law.

In the special stages during the reconnaissance have all the signs marked in the road book ready in place, marked with either temporary or real signs.

Cautions during reco

These regulations follow our passion for motorsport and it's future. Remember that residents alongside rally route are the one's who allows us driving rally in the future. If our environment, residents of the area, other traffic will suffer from our behaviour – rally has no future!

Every special stage has child's moving during the reconnaissance period. Competitors are required to pay special attention in these areas!
