The Stewards, having received a report N° 5 from the CoC (document n° 3.21), with documentary evidence attached, summoned the above crew members and have heard competitor's representative Mr. João Alves, have considered the following matter and determine the following :

Date / Time: 27-04-2024 / 10:24 hr.

Fact: Failure by the crew addressed above to activate the OK display on the ANUBE Safety tracking device within one minute after stopping on SS3 – Amarante.

Offence: Breach of Art. 53.3.3 of the 2024 FIA Regional Rally Sporting Regulations (RRSR).

Decision: Fine of 250,00€.

In accordance with Article 12.8 FIA International Sporting Code, the payment of the fines must be done online, within 48 hours of their notification, at the following address: <https://fiafines.fia.com> . Any delay in making payment may entail Suspension during the period a fine remains unpaid.

Reason: The crew activate the OK Button only 4 minutes after they stop the car on the stage SS3.

For this reason the stewards decided to apply that penalty because it's for safety reasons and the CoC must know if he is going to stop the stage immediately or not.

The team representative recognises the mistake that the crew made, but he said that the car was in a dangerous zone, they was concerned and went immediately to warn the other competitors.

The stewards concluded that a fine is necessary but for one offence also adequate.

Competitors are reminded of their right to appeal certain decisions of the Stewards, in accordance with Article 15 of the 2024 FIA International Sporting Code and Article 9.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
