**Provision for Special Stage Start in 12+ 1 Rally de Asturias (case of car delay to start):**

A penalty of 2 minutes shall be imposed on any crew which fails to start within 20 seconds of their starting signal.

Taking into account the characteristics of the special stages of this event (narrow roads allowing only space for 1 car) and in order to protect a safe running of the event and possible access required to the stage by emergency vehicles, a maximum time of only 1 extra minute beyond their allocated start time will be allowed. After that time the car will be considered as retired and shall be removed from the start line.
