

STEWARDS DECISION 1

From: The NRC Stewards

Date: 2 June 2023

To: Competitor Ricardo Cordero

Time: 11:00

The Stewards, having received a request on 1 June 2023 from the above-mentioned Competitor via the Clerk of the Course, have considered the following matter and determine the following:

Request: The competitor requests validation by the Stewards of his new helmet decoration.

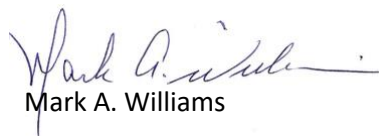

Facts: The competitor submitted the following statement from the painter attesting to the fact that the helmet decoration is in compliance with (2011) FIA Appendix L Chapter III Section 1.5:

Decision: The submitted helmet decoration is approved.

Reasons: The Stewards accept the statement of the painter that the decoration of the subject helmet is in compliance with 2011 Appendix L Chapter III Section 1.5. In the latest (2019) version of Appendix L this Section 1.5 is now Section 1.6 with fundamentally the same wording.

There does not appear to be any element that could be considered "Misconduct" per 2023 FIA International Sporting Code Section 20 or be in violation of the CARS Code of Conduct based on the supplied photo of only one side of the helmet.
