

All minors must be accompanied by a holder of a Minor Entrant Licence who must countersign the entry form in Rally Office.

Minor entrant licence holder is either:

- Parent / legal guardian of the competitor, or
- Someone who has been nominated to accompany the minor and has cleared Garda vetting through M.I.

If a parent / legal guardian is present at sign on:

- They must countersign the entry form.
- They must produce a copy of their Minor Entrant Licence.
- If they are not sitting with the competitor for the event, we must also see the Minor Entrant Licence, with garda vetting, for the co-occupant of the car.

If a third party is present at sign on instead of parent / legal guardian:

- Competitor must produce a Minor Entrant Nomination Form.
 - A copy of a passport or driver's licence for the parent / legal guardian that signed the nomination form, with their signature clearly visible, must be attached.
 - This form must be completed before it is presented at sign-on, and only written signatures can be accepted (digital signatures are not allowed).
- The nominated third-party must present their Minor Entrant Licence and have cleared Garda vetting (will have [GV] next to their name on the licence card).

IMPORTANT:

IF THE THIRD PARTY DOES NOT HAVE [GV] APPEAR BESIDE THEIR NAME ON THEIR LICENCE CARD, THEY ARE NOT ELIGIBLE TO ENTER WITH A MINOR UNLESS IT IS THEIR OWN CHILD.

IRDS:

The road-section driver must be listed on the IRDS database – otherwise the crew cannot start the event.

Minor Entrant Licence

Please take note of the following Motorsport Ireland regulations for any person under the age of 18 in a competition car:

Appendix 1. - 2.10. Junior Rally (updated & effective since 01/01/2024)

Junior Rally Licences (14+) will be issued for Forest Stage Rally and speed events which cater for J1000 cars only. The Junior Rally Licence holder must be over the age of 14. The Junior Rally licence can be applied for by those who are under 19 years of age on 1st January in the year the licence is applied for. The Introduction to Motorsport Course (IMC) must have been completed. This licence is valid only when accompanied by a Minor Entrant Licence (GCR 108.2.3). A Junior Rally licence holder must be accompanied by a Co-Driver over 23 years of age, who has achieved 5 multi stage event finishes as driver or co driver and who holds a full valid RTA licence. Should the driver not possess IRDS/BRDS cover, the Co-Driver must possess IRDS/BRDS cover and have the agreement of the vehicle owner to drive the road sections. Co-drivers are allowed in Rallysprint events taking place entirely on private grounds subject to their holding a minimum of a National B / Navigator Competition Licence and be 21 years or over.

GCR 108.2.3. Minor Entrant Licence (updated & effective since 01/01/2024)

Only one member of a crew may be under 18 years of age. All drivers and passengers under 18 years of age must be entered and accompanied at events by the holder of a current valid Minor Entrant Licence (formerly Competitor Entrant Licence). It is recommended that the Entrant is the competitor's parent or legal guardian. In the event that the Entrant is not the competitor's parent or legal guardian, they must be Garda Vetted. The holder of the Minor Entrant Licence is the entrant and the minor is the driver or passenger, if this person is not the parent or legal guardian, then the parent/legal guardian must sign an approval section allowing the Garda-vetted third party who holds a Minor Entrant licence to act as the Entrant for the minor. The holder of a Minor Entrant licence may act as an Entrant for a maximum of two drivers unless more than two drivers are their own children.
