The Clerk of the Course, having completed an inquiry with the above competitor has considered the matter and determined the following:

**Fact:** Footage showed car not stopping at car parked in gateway on side of road

**Offence:** Failure to stop and establish what the circumstances are if no OK board is displayed

**Decision:** No further action taken

**Reason:** Both driver and navigator were out of the car and looked to be changing a puncture.

Eamon McGee  
Clerk of the Course
