

Bulletin #2  
2025 STPR  
07/07/25 09:20

Several clarifications on the STPR event:

1. All cars must be checked into the Saturday Parc Expose by 09:30 as called out in the section 3 Schedule. (13.5 in the Supps incorrectly states 09:45.)
2. Patterson Hungry and WM Out stages can only be reced in rally direction. All other stages are encouraged to only travel in rally direction but note that the roads are open to the public and traffic can be in either direction.
3. The stakes are in place for all starts, VCs, and finishes. Stakes are color coded:
  - a. Yellow Clock – yellow ribbon
  - b. Red Clock – red ribbon
  - c. Start – green ribbon
  - d. VC - blue ribbon
  - e. Yellow Checker - yellow ribbon
  - f. Red Checker - red ribbon
  - g. Stop Control – white ribbon
4. The KML file for stage 3/7, Shepard, has been updated and there is a new file in the KML file in the link in Sportity. (The KML file followed an abandoned road at about mile 3.8, cutting off a corner of the route.)
5. There is a Virtual Chicane added to the route in stages 10/14 Mill. VC Start is at mile 3.07, VC End is at mile 3.33.
