11. IMPORTANT INFORMATION

11.1 Traffic regulations

Traffic on roads in the Czech Republic is governed by Act No. 361/2000 Coll. on Traffic on Roads and on Amendments to Certain Acts

12. RALLY RULES

12.1 OLDTIMER BOHEMIA RALLY 2023 is organized as a "FIA International Regularity Competition". The track runs along roads under normal road traffic. None of the competition courses, or part of them, will be on a highway or motor vehicle road, and competitors are prohibited from using these roads during the competition. The rally is organized in accordance with the FIA International Technical and Sports Code.

Competitors complete the course according to the itinerary with respect to the time limit or according to the map. Unless otherwise stated in the itinerary, the competition course always follows the main road or the section is driven straight.

For all changes after the administrative takeover, the rally directorate will issue "Implementation Provisions", which will be posted on the official board. Competitors are obliged to follow them and these measures take effect from the moment they are posted. The implementation provisions are printed on a yellow background sheet, acceptance is

confirmed by each competitor with a signature. Each competitor is obliged to follow the instructions of the organizers.

After withdrawing from the rally, the competitor is obliged to submit the driving report to the nearest TC or report this fact to be sent. The competitor is responsible for the correctness of all data in the trip protocol.

The competing crew is obliged to use only the person designated for this purpose for all communication with the organizer, the directorate, and that person is the official for communication with the crews. Tel. the number will be published during the administrative handover.

After handing in the report or notification of withdrawal, the competing crew is obliged to remove the starting number from the vehicle and hand over the GPS supplied by the organizer to the rally headquarters.

Refueling of competition vehicles is carried out by competitors at commercial gas stations at their discretion.

If the competing crew is unable to complete one of the stages to the finish due to technical or other difficulties, it will be allowed to start in the next day, if it shows interest in doing so by notifying the crew communication officer of its intention to continue.

12.2 Official Notice Board

All contestants are required to follow and observe this official notice board.

Digital Official Notice Board (DNB):

The electronic notice board at www.oldtimerrally.cz via the SPORTITY application will be used. A physical official notice board will not be set up during the rally. The Automobile Club of the Czech Republic has provided the SPORTITY application, which will function as an electronic bulletin board. The SPORTITY application (Sportity.app) is free for all organizers and competitors to download in Google play and the Apple store (for Android and IOS systems).

12.3 Driving averages

All vehicles FIA

driving average 40 km / h

12.4 Explanations of abbreviations

- TC - time control
- PC - transit control
- MS - measured section
- PP - penalty points

12.5 Designation of habitats

- start of stage (TC)

- Czech flag

- transit control - green flag
- measured section (MS) start - white flag
- measured section (MS) target - blue flag
- label in front of the finish of the stage - yellow flag
- stage goal (TC) - club flag
- goal of the competition - checkered flag

All stations will be canceled 15 minutes after ideally the last vehicle has passed, or after all vehicles have passed, whichever comes first.

Physical control points may be placed on the route of each stage, which will be marked in the itinerary, and the competing crews are required to have the passage of this point recorded in the diary. Passages and track compliance will also be controlled using GPS.

Special tasks can be placed on the track of each stage. In these places, the competition crew follows the instructions of the organizers and, after completing the task, immediately leaves the area of the special task and continues along the track.

A marker (yellow flag) is placed in front of each time control at a distance of approx. 20 - 150 m. If the vehicle enters the section between the signal and the finish of the stage, the competition crew is obliged to have the time of arrival entered in the logbook without delay.

Stopping, standing, turning and reversing are prohibited in this section.

12.7 Measured section (MS):

The measured section can be located anywhere on the track. The beginning is marked with a white flag - the end of the section is marked with a blue flag. The measured section will be completed by the crew at a time determined by the organizer. The crew will find the set time in the rally itinerary. All world championships go through a flying start and finish.

Penalty

- deviation + / - **0.01 sec / 1 PP**

12.8 Penalties for violating traffic regulations and speed limits:

For the duration of the rally, the driver must have a valid driver's license and must comply with traffic regulations in force in the Czech Republic. Any violation will be reported to the Rally Director.

- In the case of the 1st offense, with the exception of speeding, punishment at the discretion of the director
- For the 2nd offense, with the exception of speeding, a point penalty of 150 PP awarded by the rally director
- For the 3rd offense, except outside speeding, exclusion from the rally

Exceeding the speed limit during the rally leads to punishment by the rally director as follows:

- | | |
|---|-----------------|
| • for the 1st exceeding of the permitted speed of | 20PP / 1 km / h |
| • for the 2nd exceeding of the permitted speed of | 40PP / 1 km / h |
| • for the 3rd exceeding of the permitted speed of | 60PP / 1 km / h |
| • each additional speeding | 65PP / 1 km / h |

Example:

speed limit = permitted speed (km / h) + 10%

(eg speed limit 50 km / h + 10% = 55 km / h, speed above this value will be penalized)

12.9 GPS

After the administrative handover, all vehicles will be equipped with a GPS unit supplied by the organizer. **The competing crew is obliged to have a GPS unit located in their vehicle for the entire duration of the competition according to the organizer's instructions.** Without this unit installed, the vehicle will not be accepted for roadworthiness testing.

The use of GPS devices is prohibited during the rally, except for GPS units supplied by the organizer. This prohibition also applies to all other electronic devices that support localization or otherwise inform the crew about the GPS position or location and the crew could thereby obtain a prohibited advantage.

At the technical check-in, each competitor signs a declaration not to use these GPS devices.

The organizer is entitled to check compliance with the regulations during the entire rally. Violation of this prohibition means reporting to the rally director and penalties. The rally ends at the destination TC. All competitors are obliged to hand in the GPS unit supplied by the organizer at the finish line or at the latest by the time the unofficial final results are posted, i.e. by 18:30 at the rally headquarters.
