The Stewards, having received a report from the Clerk of the Course, heard the crew of car # 55, have considered the following matter, determine the following:

**Fact:** The crew of the above-mentioned car slowed down at the scene of an accident of car no. 55, in SS9 at approx.10:33 hrs, but did not stop although no OK sign was shown.

**Offence: Breach of Art. 53.3.2 of the 2025 FIA EHRC Sporting Regulations.**

**Decision: Reprimand**

**Reason:** Art. 53.3.2 is very clear in which is written: *"Any crew which has the red "SOS" sign displayed to them, or which sees a car which has suffered an accident, **and the OK sign is not shown**, shall immediately and without exception stop to render assistance."*

It follows that it is not at the discretion of the crew whether they should stop or not, but they must stop in any case if no OK sign is shown. It is essential for the driver's safety that the cars following the car which had an accident to render help, because they are the first on the scene of the accident.

The Stewards concluded that the crew was in breach of the above regulations. However, the Stewards took mitigating circumstances into account because the crew No. 55 although no assistance was required, did not show the OK sign.

The decision is based on the FIA International Sporting Code Art. 11.9.1, art.11.9.2.a, Art. 11.9.3.a, Art. 11.9.3.f, and Art 12.4.1.b.

Competitors are reminded of their right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
