Update #2
2025 Rally in the 100 Acre Wood
March 10, 2025

To: Competitors

Subject: Service Assignments

All competitor service spaces have been assigned. We did our best to accommodate all requests. It's possible this will have changed on the fly due to unforeseen circumstances. We will have rally staff on hand both days to assist with parking.

Note that both service areas have been re-configured somewhat, esp. Twin Eagle on Friday. The numbers at Twin Eagle correspond to their camping sites which are marked. We will have additional marking as well.
This information will be included in your service crew packet as well.

Thank you,
Curt Faigle
