4.2 ACCEPTED CARS

A maximum of ~~40~~ 60 modern and historic cars will be admitted to the competition, with priority for cars produced up to 1990.

Cars with a "test" number plate are not allowed.

[X] n. 35 modern cars.

Article 15 – INSURANCE

~~Following the announcement made by ACI Sport on 6 May 2025 regarding the awarding of the contract for compulsory insurance cover pursuant to Article 124 of the Private Insurance Code, the Organiser declares that it has taken note that the procedure has been awarded to Sara Assicurazioni S.p.A., which has guaranteed insurance coverage for all races included in the national sporting calendar from 12 May 2025 to 31 December 2025. Pending the new decision by ACI Sport for the races included in the 2026 national sporting calendar, the Organiser 1000 MIGLIA SRL declares that it will guarantee the compulsory insurance coverage for the race in question, in compliance with the provisions of the Federation.~~

~~It is hereby specified that the Third-Party Liability insurance policy taken out by the Organiser shall be understood as a policy covering second risk liability for any damage caused by competitors to persons, property or animals during the event, excluding damage caused to the participants themselves and to the vehicles they use. All competitors therefore remain obliged to take out their own Third-Party Liability insurance policy valid for the entire duration of the event.~~

~~In any case, the policies taken out by the Organiser do not relieve Competitors and Drivers of any liability they may incur outside the scope of the insurance and any additional general and special policy conditions that may be established by the Federation.~~

The Organizer, as the holder of a sporting license, from the moment of its execution adheres to the currently applicable sporting regulations.
In this context, the Organizer confirms full awareness that the third-party liability insurance policy (RC Policy) referred to in Article 56 of the RSN complies with the requirements set forth in Article 124 of the Insurance Code, including the statutory minimum coverage, and does not release Competitors and Drivers from any liability they may incur outside the scope of the insurance coverage, as well as from the additional general and special policy conditions as published on the federal website and, in any case, obtainable from the Insurance Company.

The Organizer
1000 Miglia S.r.l.
