

Competitor Information Note – INFO RECCES

From Monday, 2 March (08:00) to Thursday, 5 March (15:00)

The reconnaissance forms part of the official running of the event and is subject to FIA, RFEDA, and FCA regulations, as well as the event's Supplementary Regulations.

To ensure an orderly and safe conduct of the reconnaissance, participants are reminded:

- **Respect all traffic regulations and other road users.**
- **It is strictly forbidden to drive in the opposite direction of a special stage at any time during reconnaissance.**
- **A maximum speed of 80 km/h must be observed, which may be lower in areas with specific limits (urban crossings: 50 km/h or 30 km/h, or any other restriction expressly indicated in the Road Book).**
- **Police officers and marshals will monitor and supervise the correct conduct of reconnaissance at all times and may carry out checks and verifications on site.**
- **Any dangerous driving, excessive speed, breach of traffic laws, or negligent behaviour will be reported to the Clerk of the Course.**

All crews must display **the sticker provided at the Rally Headquarters** (Hotel Best Western Premier CMC Girona), open from Monday 2 March at 08:00, **visibly** for the entire duration of the reconnaissance in the centre of the FRONT windshield.

Note: This visit to Rally HQ may also be used to complete the Administrative Checks and to collect documentation.

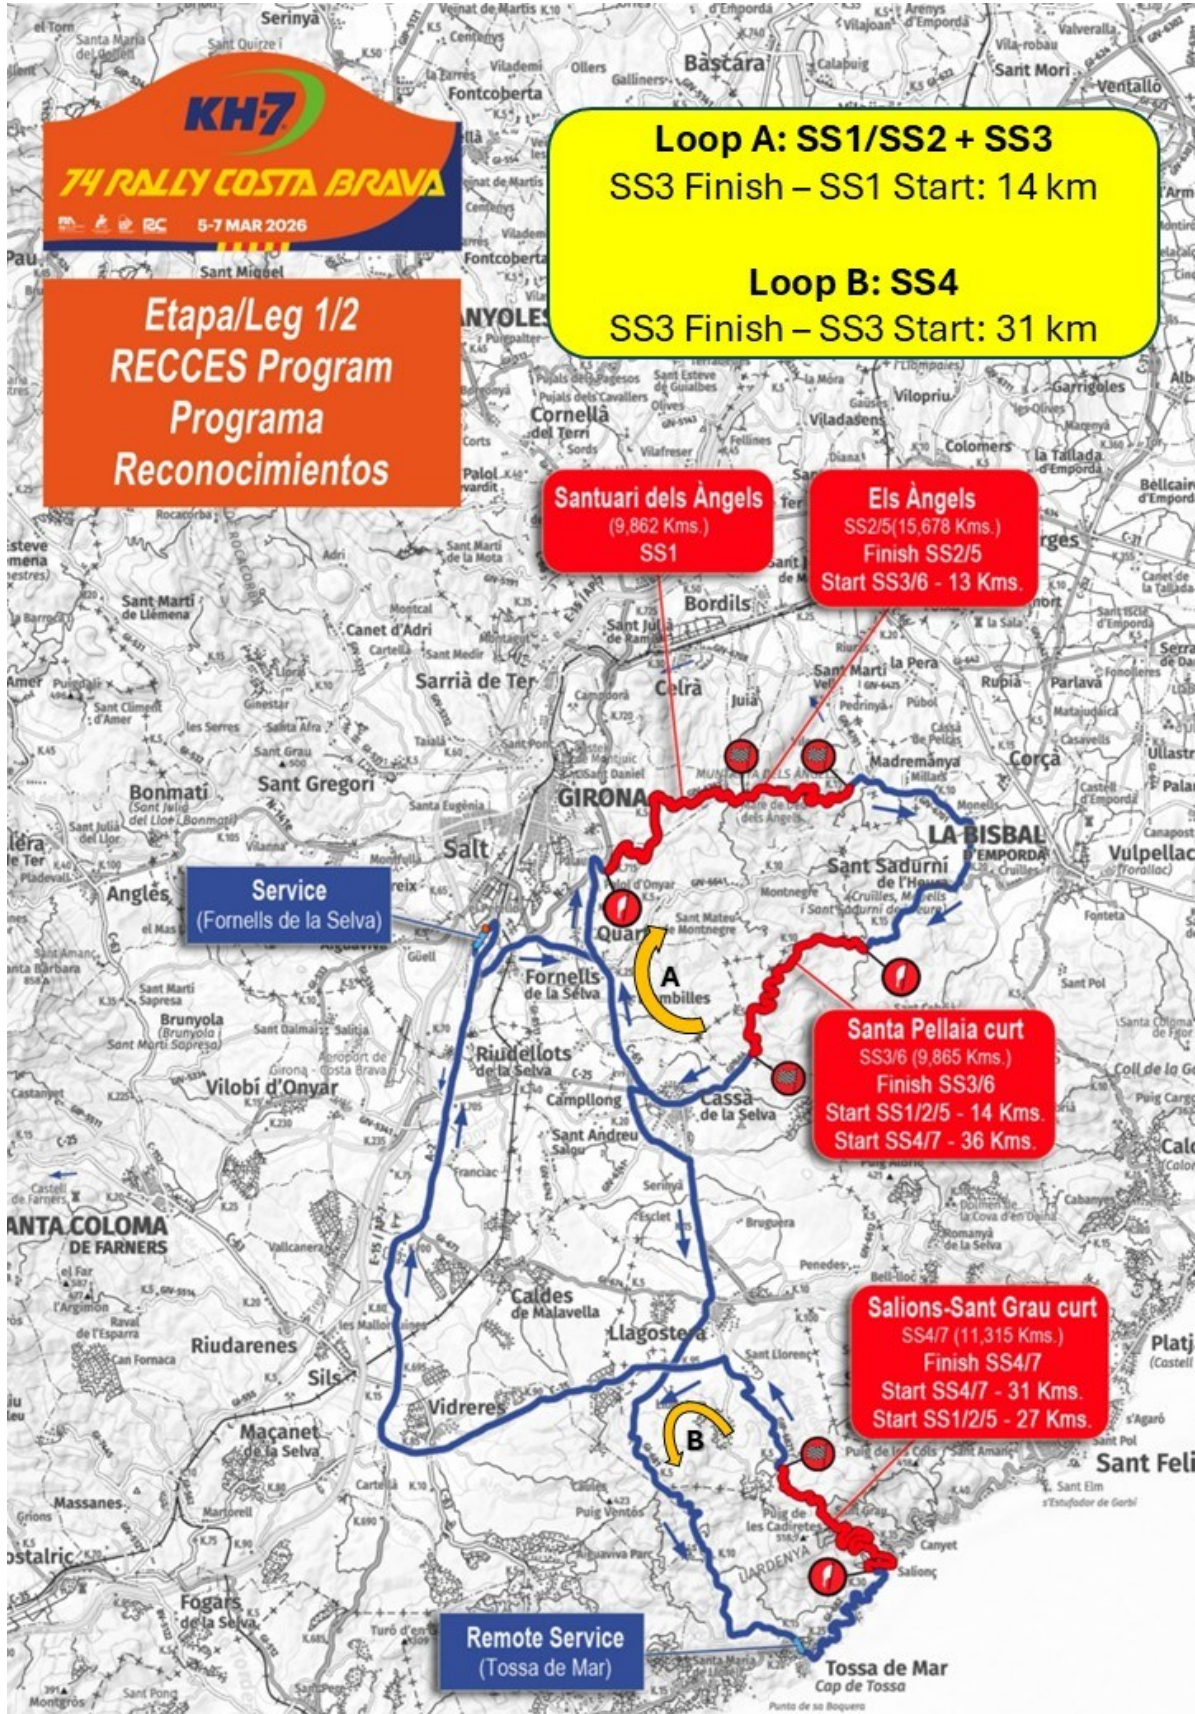

Only duly identified vehicles are permitted. Any not identified vehicle will be reported.

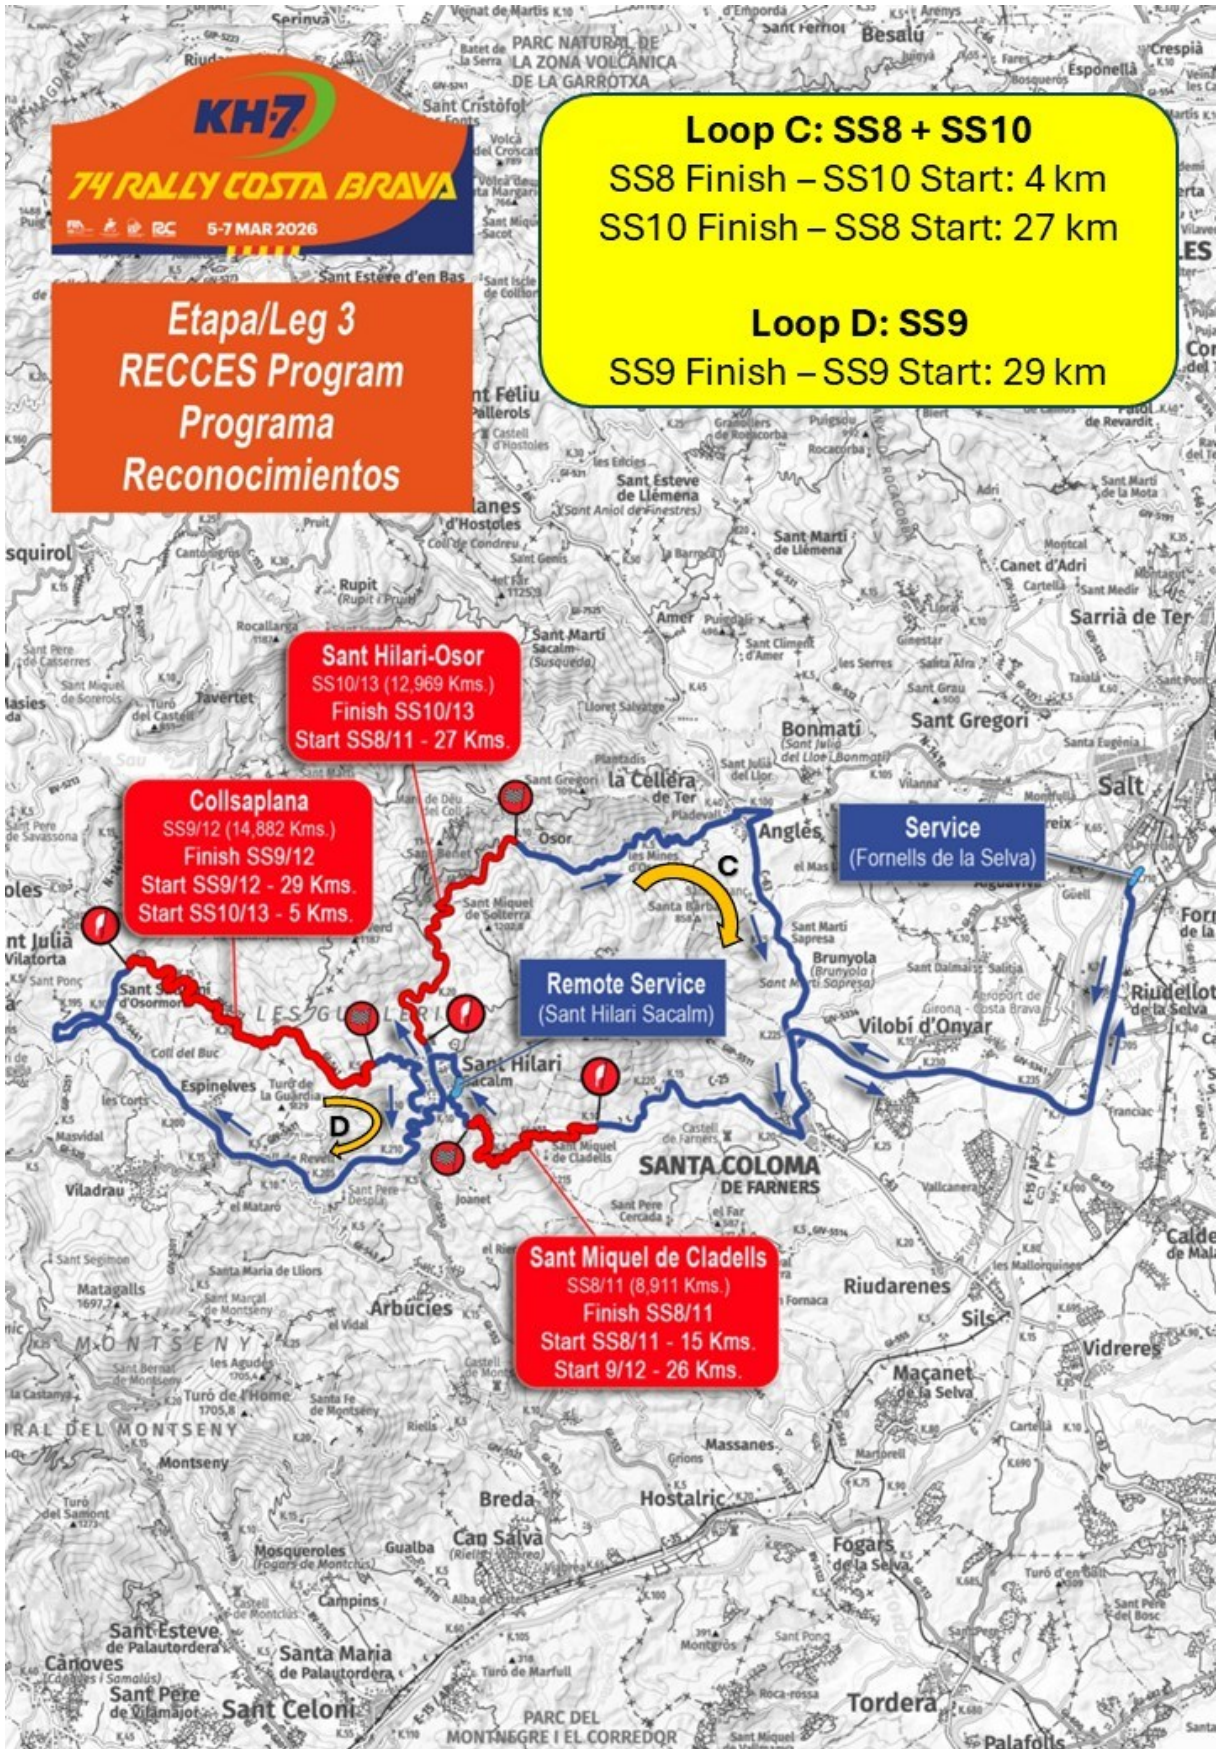

To prevent excessive cutting through corners, **anti-cut elements** will be installed both for reconnaissance and during the rally. These will **not be marked in the Road Book.**

Such elements will be placed **before Monday, 2 March**, and will be **clearly visible.**

The presence of these elements in a particular location indicates that **cutting through the inside of that corner is strictly forbidden during the rally**, regardless of whether the element remains **in place.**

The order and number of passes per stage are free within the specified timetable.
