To: All Competitors

Reconnaissance

Competitors are advised to familiarise themselves with Paragraph 10 of the Supplementary Regulations before commencing their reconnaissance (recce).

Recce Vehicles

All recce vehicles must be detailed on the online entry form. To update or amend your recce vehicle details please go to your Entry Receipt email, click on "Access Your Entry Home Page", select "Click Here to Edit" under the Entry Editing heading and input the details in the Recce Vehicle section.

For the recce, only standard cars or car derived vans, as defined by the Road Traffic Act, may be used. All recce cars must have a standard exhaust, be of a plain colour, have no sign writing and a maximum of two auxiliary lamps. Cars with roll cages are not permitted. The use of intercom systems/headsets or helmets is not permitted at any time during the recce.

Driving Standards

The ability to allow unlimited recce and the future of the rally rely on the goodwill of the residents of Mull and we therefore ask that all competitors undertaking the recce do so in a considerate manner.

Please remember that the roads are not closed during the recce and will be used by other road users including island residents and visitors. Please be courteous to all other road users, make use of passing places to allow oncoming cars to pass and under no circumstances should you try to force your way past other roads or use full beam and/or auxiliary lights when following other cars.

The maximum speed limit on Special Stages for the recce is 40mph, except where the speed limit is lower by law.

During recce, any infringement of the regulations recorded by the police or a Judge of Fact may result in the following penalties:

First offence: £250

Second offence: Start Refused

Incidents

Should you be involved in any incident during the recce with any property, pets, livestock or vehicles, this must be reported to the organisers by emailing mull26@mullcarclub.co.uk and contacting the Rally Emergency Number 07990 192888, no matter how small you may feel the incident is. If you have any incident involving pets, livestock, or deer please report it between 7am and 10pm to Donald MacLean at Knock Farm, Tel. 07799 121956 / 01680 300353. Please try to define your location precisely.
