Competitors are also reminded that the dimensions for the Tyre company branding on the cars has changed from the previous supplier and the stickers on all corners of the car are **33.5 cm** wide. Standardised stickers will be available from the Hankook Tyre Technical Area or at Scrutineering where checks will be made.

Non-compliance may be reported to the Stewards.

2. All priority 2 and 3 drivers must run at least one passage on the Shakedown as required by Article 36.2.3 of the 2025 FIA WRC Sporting Regulations (and by Art. 12.2 of the Supplementary Regulations).

4. Drivers must ensure that they **wear their safety equipment properly on special stages all the way until the STOP control** (helmets and seat belts fastened, balaclava inside the overall, overall zipper closed, driver's gloves worn etc.). All infringements will be reported to the Stewards who may impose a penalty. **Please see 2025 FIA WRC Sporting Regulations, Article 53.1.**

Any crew stopping on a special stage and who does not require immediate medical assistance, must activate the OK display in the FIA safety tracking device within one minute and show the OK sign to all other cars. All infringements will be reported to the Stewards who may impose a penalty. **Please see 2025 FIA WRC Sporting Regulations, Article 53.3.**
6. **All crews that are shown the Red Flag must immediately slow down and continue that lowered speed until the finish of the stage**.
