Burnside Piling Scottish Tarmac Rally Championship

Autosave Components Kinloss Spring Rally March 2024

This coming Saturday the 23rd March sees the second round of the 2024 Burnside Piling STRC, the Autosave Components Kinloss Spring Rally organised by Condor MSC, the seeded entry list which is available by following the link below.

Due to this venue being an active military base there is limited spectating and gates open at 06.30 where you will be directed to the controlled area.

[Autosave Components Kinloss Spring Rally 2024 at Kinloss Army Barracks - Seeded Entry List \(rallies.info\)](https://www.rallies.info)

The event runs 6 special stages over 60 miles utilising as much of the runway and perimeter roads as the routes allow, first car starts at 09.00 and with 30 second intervals its sure to be a close battle between all crews and all classes.

1st car off the line is STRC registered Barry Groundwater in his colourful Mitsubishi Evo 6 and sets off at 09.00 with the first car due to finish around 16.30.

2023 STRC champion Des Campbell will not be attending this event but hope to see him back out soon.

A results service will be run again by our very own Raymond Mann by following the links on www.scotresults.org when stage times will be updated regularly.

The STRC team will be at the venue around the Scrutineering area and Rally HQ to assist with any championship registrations/queries or questions as well as club card memberships and championship decals.

So far, we have over 35 STRC championship registrations both drivers and navigators which is a great number so early in the season and the team are looking forward to signing up more over the weekend.

We wish everybody a safe and enjoyable event and look forward to seeing you all on the day and thank all our sponsors for the support.

The Carnegie Fuels prize draw will be held at the lunch break and posted up on the STRC page.

Keep up to date with all the latest news and championship updates by visiting www.dunferlinecarclub.co.uk

Should you have any queries in any way please feel free to drop an email to strc@dunferlinecarclub.co.uk and one of the team will come back you.
