1 Itinerary

We have lost a section of the Middle Road stage due to a permit issue with the Martha Sundquist State Forest. We have revised the route to accommodate this and will be publishing a new itinerary shortly. Overall stage mileages will now be 97.83 - National, and 88.72 – Regional.

2 / Remote Refuel

We have had several national teams express concern about the distances of section 5 and the ability to make it on fuel. We have found a remote refuel location other than the commercial gas stations already listed in the routebook. This refuel will make the section distances fall well within the RCR requirements and should allow all competitors to make it on fuel.

Final distances will be published in a bulletin as soon as it is complete.
