08.-10. August 2025

# PADDOCK PLAN

Omavoliliselt võetud parkimiskohad ja valesti paigutatud boksid tuleb ümber paigutada. Ilma korralda esindaja nõusolekuta ei tohi boksi püsti panna. Igale võistlejale on ette nähtud 4x6 m boksi ala lisaks veel 4x6 service auto jaoks. Muid autosid boksi alale ei lubata ja need tuleb parkida väljaspoole ringrada parklasse.

Unauthorized use of paddock spaces and incorrectly placed tents must be corrected. Setting up a paddock tent without the organizer's approval is not allowed. Each competitor is allocated a 4x6 m paddock area, plus an additional 4x6 m space for a service vehicle. No other vehicles are allowed in the paddock area and must be parked outside the track in the designated parking area.
