

Rules to bring tyres to the workshop:

- Remove the valve caps, the pin core
- Rubber valves are replaced only if damaged.
- Write your race number on the tread of each used tyre, add an "X" to scrap it or an "R" or "keep" and the race number to return the tyre to the team.
- If there is no sign on the tyre, it will be destroyed.

Tyres to keep (example car #63):

Tyres to scrap:
