The Stewards, having received a report from the Race Director, having examined the video evidence, have considered the following matter and determine the following:

Time: 11:23

Session: WRX Qualifying 3, Race 2, Lap 1

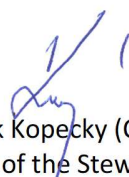

Fact: Car No. 96 gave Car No. 12 a slight push from the side in Turn 1 before making a decisive overtake.

Offence: Breach of Appendix L Chapter V -CODE OF DRIVING CONDUCT ON OFFROAD CIRCUITS - Art. 2 b)

Decision: **2 seconds time penalty**

Reason: According to Appendix L, Chapter V, Article 2(b), pushing or any other form of contact that results in a lasting advantage is strictly prohibited. Since Car No. 12 not only pushed Car No. 96 but also overtook it as a direct result of that push, the Stewards deemed this to be a lasting advantage. Consequently, they concluded that the time penalty was necessary and sufficient.

Based on Art. 12.3.4 of the FIA International Sporting Code and according to the ERX Sporting Regulations Article 8.2 this decision cannot be subject to appeal.
