

FIA WORLD & EUROPEAN RALLYCROSS SERVICE & COMMERCIAL SHEET 2025

/ DELIVERY & SERVICE

The global sales and service at all FIA World and European Rallycross events is only available via the service provider APR, which will make the tyres available no later than the day before scrutineering.

APR will provide free tyre fitting service at all Championship events, for new tyres to any competitor/team participating in the championship. The turning or re-fitting of used tyres are subject to being charged.

The terms and conditions of APR apply to the sales and service provided.

Ordering and Payment Terms

APR will be attending all official championship events and provide the amount of tyres according to the regulations for all cars on the official entry list, as supplied by the organizer two weeks prior to the event date. Any additional tyres, required such as test or practice tires, exceeding the amount of tyres in the regulation, need to be ordered also two weeks prior to the event at APR.

/ ORDERING & PAYMENT TERMS

All tyres need to be fully paid prior to shipping or their release from the service truck.

- Bank transfer is accepted and the preferred payment method. Bank details are available via the ordering email address provided below.
- Card payment is accepted (Master and VISA Card).
- Cash is not accepted.
