CIRCUIT

CIRCUIT INFORMATION

The Lousada Circuit is located in the small village of Lousada, Av. Jaime José Nunes de Moura, 211, 4620-123 Cristelos Lousada.

The circuit is located close to the national road 106, 3 km from the A41 motorway and 7 km from the A4 motorway.
GPS location: N41.267189, E-8.293087"

The circuit is 1078.02 meters (including joker lap) and between 11 and 16 meters wide. Its composition is approximately 40% gravel and 60% asphalt.

The track runs clockwise, with the pole position on the right-hand side.

The paddock area has:

General security, lighting, power supply, toilets, showers, drinking water, sewage treatment plant, car and truck wash.

All teams may remain in the paddock until Monday at 12:00.

There will be no security or firefighters in the paddock after the race on Sunday.

The paddock's electricity will be turned off on Monday 2nd June at 12:00.

Teams wishing to remain in the paddock after 2nd June are allowed to do so, but they must make their request by 26th May at 12:00. This extension will incur an extra cost, depending on the team's needs.

Paddock

LOUSADA RX Paddock

The paddock area is surrounded by high fences and the area will be guarded from 8:00 p.m. on May 19th until 8:00 a.m. on May 26th.

From May 27th at 8:00 a.m. until June 2nd at 12:00 p.m. the paddock will be under 24-hour surveillance.

There are toilets and showers within the paddock service area.

There is another building with showers and toilets at the opposite end of the paddock, as well as separate plastic toilets in different positions (see maps).

If you would like to request a private toilet, please order it by filling the order form for additional paddock services in the following page.

Our food court will be open from the 30th of May until the 1st of June.

The Lousada Automobile Club, in partnership with the Municipality, has created an environmental plan that includes garbage collection at specific times and the provision of containers for waste separation, encouraging this practice.

The team area of the paddock has water and electricity. If you need help with the sewage, please contact the Paddock Manager.

It is not permitted to clean race car parts or filters inside the service area, to prevent oil and other hazardous waste from entering our water system.

Use the parts washing designated area when needed.
