

Round 03 of the 2025 FIA World Rallycross Championship

Date:	19 July 2025	Time: 08:45
Subject:	Decision No. 1	Document No.:2.2
From:	The Stewards	
To:	Competitor: KRISTOFFERSSON MOTORSPORT	
	Driver: World RX #96, Ole Christian Veiby	
Number of pages: 1		Attachments: 0

The Stewards, having received a report from FIA Technical Delegate, have considered the following matter and determine the following:

Fact: Car #96 World RX has changed another RESS.

Infringement: Alleged breach of Article 9.3.2 of the FIA World RX Sporting Regulations 2025.

Decision: Joker granted in accordance with Article 9.3.2 of the FIA World RX Sporting Regulations 2025.

Reason: The referred Article 9.3.2 states as follows:
 9.3.2 Electric motors, RESS and inverters will be sealed. A Driver may use up to 2 (two) electric motors (or sets of seals), 1 (one) battery pack (or set of seals) and 2 (two) inverters (or sets of seals) in a Championship season. Electric motors, RESS and inverters will be sealed.

The penalty for any breach of this rule, the use of more components than allowed in the Championship year, will be the deduction of 15 (fifteen) Championship points for each offence. These points will be deducted from the Championship point total scored by the Driver and Team. In exceptional circumstances (accident generating serious damage to the components or technical problem not imputable to the Competitor), jokers may be granted at the discretion of the FIA stewards following the technical report from the appointed supplier and the FIA technical delegate.

The stewards reviewed the report from the FIA Technical Delegate in addition to the report from the supplier Kreisel who explained Battery RX006 was used during a registered Team Test on 10.07.2025. During this test the battery had an issue on a Module stack. The battery was transported back to the battery supplier for further checks. It is not possible to prepare the battery before World RX of Hungary. Because of this reason the team assembled their own third system RX003.

The Stewards therefore agreed that a joker is granted in accordance with Article 9.3.2 of the FIA World RX Sporting regulations 2025.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
