

TURKISH AUTOMOBILE SPORTS FEDERATION

Dear Participants,

Welcome to Istanbul.

As the Turkish Automobile Federation (TOSFED), we are pleased to host you in our country.

Just as we enjoy the thrill of motorsports, we also seriously value environmental responsibilities. For this reason we kindly ask you for your support in promoting sustainability throughout this event.

We believe that even small contributions can lead to a meaningful impact.

We wholeheartedly believe that together we can build a more environmentally friendly future for motorsports.

We wish you a successful and safe race.
