Deep ruts in poor condition / 80 m

KM 163.08 !! Gran roca que estrecha la pista, izquierda poco visible.

Large rock narrowing the trail; the left side is barely visible.

Du KM 159.98 jusqu'au KM 199.47 !! La pista está en mal estado, es traicionera

The trail is in poor condition and treacherous.

KM 173.54 Es IMPERATIVO quedarse a la izquierda al salir del RIO, paso complicado

It is IMPERATIVE to stay to the left when leaving the RIVER; difficult section.

Notas de Apertura

Opening Notes

KM 243.33 !! Descenso por un RIO / 16 kms. El terreno es malo; se ha utilizado una máquina para mejorar el recorrido, pero **ATENCIÓN:** el RIO sigue siendo traicionero, a veces muy estrecho entre rocas que no se ven. Es posible que el terreno haya cambiado en esta parte, ya que la máquina ha seguido trabajando, por lo que es posible que no todas las indicaciones sean correctas en este descenso por el RIO. ¡Cuidado!

*Descent along a river / 16 kms. The terrain is rough; a machine has been used to improve the route, but **WARNING:** the RIVER remains treacherous, sometimes very narrow between rocks that are not visible. The terrain may have changed in this section, as the machine has continued to work, so not all directions may be accurate for this descent along the RIVER. Be careful!*
