Tárgy:	Decision	Doc.Nr.:	
From:	Stewards	Oldalak/pages	1
To:	Competitor No 203		

The Stewards, having received a report from the Clerk of the Course, and having examined the GPS evidence, have considered the following matter, determined the following:

Facts: Competitor 203 at SS2 have a speeding at speed control zone between km 44.59-45.72. The GPS recorded more than 3 speeding signal over 40km/h. The CoC reported to the Sewardrs that they had applied the speeding penalties outlined in the rules for the first 3 speedings.

Offence: breach of FIA CCRSR 37

Decision: no further penalty aplied

Reason: During the hearing, the competitor stated that the NAV-GPS did not give any signal in the area, which made them uncertain about its validity. The GPS team confirmed that the IRIS equipment was not working in the location in question. The Stewards stated that the itinerary of the rally is defined in the Road book, and the competitor must follow. However, based on the doubt caused by the malfunction of the equipment, the Stewards did not consider it necessary to apply any further penalty.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 10.1.1 of the FIA Judicial and Disciplinary Rules within the applicable time limits.
