### Stage 3 / Selective Section 4

Due to an error in the positioning of the flags indicating the end of the Transfer at WP 290 FT (Transfer OUT km 265,4) some competitors stopped in the wrong place and lost their countdown.

In order not to penalise the riders who stopped in the right place or those who stopped at the flags.

#### The Race Direction has decided the following:

For the Rally GP, Rally 2, Rally 3 and QUAD categories:

- The SS time between WP285 DT (Transfer IN Km 242,0) and WP300 (Km 270,3) will be disregarded for all competitors.
