Art. 1. Introduction

Name of the event: BP Ultimate Rally-Raid Portugal

Date of the event: April 2 to 7

Art. 1.1 Preamble

Automóvel Club de Portugal (ACP) are organising the BP Ultimate Rally-Raid Portugal 24 (the “Event”), round of the 2024 FIM World Rally-Raid Championship. The event will take place in accordance with the relevant legal and administrative requirements of the host country, the Federação de Motociclismo de Portugal (FMP), and the relevant FIM documents, including but not limited to the FIM Medical, Anti-Doping and Environmental Codes, the FIM Disciplinary and Arbitration Code, the FIM Code of Ethics and the Sporting and Technical Regulations of the FIM Cross-Country Rallies World Championship and the Appendices thereto, as well as the present Supplementary Regulations and any rules and regulations adopted by the FIM International Jury. The present Supplementary Regulations may not be in contradiction with the FIM Rules and Codes, including but not limited to the Sporting and Technical Rules applicable to the discipline. In the case of a divergence or conflict between these Regulations and any of the applicable FIM Rules and Codes, the latter shall prevail.

The various documents will be written in English and Portuguese. In case of any discrepancy the English text will be binding.

In any matter not covered by the FIM World Rally-Raid Championship Regulations or by these Supplementary Regulations, the FIM International Jury shall decide *ex aequo et bono*. All additional provisions of a technical or organisational nature not contained in these Supplementary Regulations will be announced by means of a numbered, dated and signed addendum. Such addenda will form an integral part of the Supplementary Regulations and shall be posted on the official notice board of the Rally. They will also be communicated during the competitor’s briefing and the competitors will be notified in the shortest time practicable.

The BP Ultimate Rally-Raid Portugal 24 is organized by the Automóvel Club de Portugal (ACP), and takes place mainly in Portugal, in the Alentejo and Ribatejo regions, but has a stage (4) in Spain, in the community of Extremadura, with the support of the local club, MCV Motorsport.

from 16 to 30 minutes	250 €
> 30 minutes	500 €
> 60 minutes	Start may be denied

A time control (V3) will be installed immediately after scrutineering.

Art. 10.3 Scrutineering

The registered rider having completed the administrative checks must present themselves to technical checks with the following:

- Their machine;
- Their FIM homologated helmet (marked with the name of the rider and his/her blood type), and eventually with a second helmet;
- The homologated airbag is mandatory (see Appendix 10 for homologated airbags);
- 3 Sets for replacement cartridges for airbag equipment.

- Stickers with competitor number and advertising must be in place;
- The mountings for safety and navigation systems must be affixed;
- The necessary power supply to support safety and navigation systems must be functional.

After technical checks, if a machine is found not to comply with the technical and/or safety regulations, the FIM Jury may set a deadline for the machine compliance.

Any machine which does not appear to comply with or is not adapted to rally standards during the technical checks, could either be changed to another group, or will not be authorized to start (decision of the International Jury). In the latter case, entry fees will not be reimbursed.

The installation of the tracking system and the NAV-GPS will be checked at scrutineering.

Art. 10.4 Rider's safety equipment (AIRBAG)

<https://www.fim-moto.com/en/documents/view/fim-list-of-eligible-airbags-for-rallygp-rally2>

Art. 10.5 Installation of the Safety Tracking System and Navigation System

See Appendix 5

Art. 10.5.1 Safety Tracking System

Each competitor must be equipped with the satellite tracking system IRITRACK. All vehicles must have this system installed in order to complete technical checks. For the duration of the rally, the competitor is held responsible for the proper functioning of this system. It must be in operation and remain permanently connected, power and antenna connected, throughout the duration of each stage. Any incident caused by the competitor (loss, destruction, de-tensioning, etc.) and/or any attempt of fraud or manipulation found will result in a penalty decided by the International FIM Jury and up to and including disqualification.

The manual switching on WITHOUT SAFETY REASONS of the alarm of the Tracking system (red button) will result in the competitor being financially responsible and may result in disqualification. Competitors must contact directly the supplier for the rental of this device, and the purchase of any installation kit / accessories. A guarantee deposit will be requested by the supplier.

MARLINK: Tel :+33 (0)1 48 84 34 14
Email: Valentin.Bourdon@marlink.com

Art. 10.5.2 Navigation System

Information regarding the installation of the devices is available on the supplier website (<https://www.ertf.com>). All motorcycles in the rally must be equipped with these systems, whose installation will be checked during preliminary technical inspection. Competitors must contact directly the supplier for the rental of the devices, and the purchase of any installation kit / accessories.

ERTF: Off-road Rallye Department
Tel: +33 (0)2 97 87 25 85
email: competition@ertf.com

This system must function the whole time during a stage: the switching on of the equipment is the responsibility of the competitor. In all cases where the system is not functioning the competitor concerned will incur a one-hour penalty.

Art. 10.5.3 Electronic control of the itinerary

For WPP (Precise Waypoint)	2min
For WPE (Waypoint Eclipse)	15min
For WPS (Waypoint Security)	15min

In order to control the respect of the itinerary, each diagram of the road book will correspond to a WPP, if no other type of waypoint is indicated in this diagram. The passage of the vehicle through each waypoint is registered by the GPS and it will be shown in the screen the number associated to this diagram in the road book. At the end of each stage, the GPS will be inspected to control the validation of the road book waypoints. In the event of an infringement, the competitor will be penalized by the Clerk of the Course, and the penalties will be according to the chart above.

Art. 11. Other procedures and regulations

Art. 11.1 Riders' Briefing(s)

See programme (SR Art. 3)

At the first briefing of the event, the participation of the rider is compulsory. Any rider not attending the pre-event briefing will incur a penalty of 100,00 €.

Then, a briefing will be held each evening at the Bivouac. During these briefings, the W2RC "winner of the day" will be awarded. The presence of the best classified rider of each category on the day's Stage

among those eligible to score points for the FIM Cross Country Rallies World Championship Regulations is compulsory

Art. 11.2 Accident assistance

It is reminded that ethics require stopping when an accident is witnessed by a competitor to ensure the most appropriate mode of intervention, with his intervention and the arrival of help.

In addition, important means are being implemented to shorten intervention times.

Any competitor witnessing an accident putting another competitor in physical danger must:

- Stop,
- Press the red button of the tracking device,
- Contact, if needed, race control through the tracking device,
- Wait for the arrival of help or another competitor,
- Press the green button of the tracking device to signal that he is leaving.

The stopping time between the 2 tracking system alerts (green button) will be deducted on the same day as the selective section, only for the two first riders stopped on the accident, at the request of the competitor on his arrival after the stage.

Each rider must carry a small first-aid medical kit, as per Art. 80.27.1 of the 2024 FIM Cross-Country Rallies World Championship Regulations.

This kit is to be presented during scrutineering/technical checks.

Art. 11.3 Starting procedures and order

For all the stages (except for the Prologue), the minimum gap between the ideal start time of the last motorcycle and the start of the first car will be 30 minutes.

Reminder: By no means can a rider start once the first car has started.

Starting order for prologue:

See Art. FIM 80.17.2

Starting intervals for prologue and SS1:

RALLYGP : every 1 minutes

RALLY2/RALLY3/QUADS : every 1 minute

Starting Order for subsequent stages:

The starting order of Stage 2 and the following stages will be established in the order of the scratch classification of the Selective Section, or of the accumulation of the Selective Sections of the previous day.

Starting intervals:

- First 10 riders: 3 minutes interval
- From 10th to 20th: 2 minutes interval
- From 21st: 1 minute interval will start one at a time (or two at a time), every minute or every thirty seconds.

Art. 11.4 Electronic start procedure at Selective Sections

On the special stages the start will be given by an electronic system of count down.

The countdown will be discounted second by second and will be clearly visible by the crew from the starting position.

A photocell placed 50 cm in front of the starting line will be used to detect jump starts.

Art. 11.5 Finish procedures

At the end of Stage 5, all vehicles are subject to Parc Fermé rules until the Parc Fermé is opened at the Stewards instructions. Prize-giving ceremony will take place at the Bivouac, on 7 April at 19h00.

Art. 11.6 Permitted early check-in.

See Appendix 1.

Art. 11.7 Official time used during the event.

Official time throughout the entire rally will be that of GMT+1 (Portuguese Time)

Art. 11.8 Road books / Navigation and Waypoints

Delivery, Please see programme (SR Art. 3)

PAPER ROAD BOOK

Riders not using the electronic road book will receive the paper road book every morning at the start of each stage, **20 minutes** before their starting time

GENERAL

The Road Book is produced and controlled by professionals. No claim can be made against information found in the Road Book.

The GPS code of each stage will be displayed at the Bivouac exit every morning.

The only items allowed on the competitor and his machine are the notes on the current Stage (official road book), the modifications of the opening team which can be included on the Road Book. The corrections taken during a first passage will be accepted during a second passage in case a selective section is repeated. Possession of maps given by the organiser is permitted except satellite photos.

The addition of any other notes on the road book, the rider and/or his machine such as: caps, geographical indications useful for navigation, distances, GPS points is strictly prohibited. Checks may be carried out and penalties applied as per Art. 80.11.4 of the FIM Cross-Country Rallies World Championship 2024 Regulations.

RALLYGP riders will be allowed to use a single odometer model, the ICO model or the one provided by ERTF.

Waypoints

The organizer has established the use of waypoints as defined by Art. 80.11.2 of the 2024 FIM Cross-Country Rallies World Championship.

See FIM Art. 80.11.2

Art. 11.09 Servicing of vehicles

Art. 11.09.1 Service Areas / Bivouacs

The speed of vehicles in the service parks/bivouacs may not exceed *30 kph*.

From TC0 onwards, service of a competing vehicle may be carried out in Service Areas (Service Parks and Bivouacs).

BIVOUAC / GRÂNDOLA (From March 30 to April 7, except for the night of the 5th to the 6th, which will be in Badajoz):

Service Park BADAJOZ (April 5):

Service A	TC4B / TC4C (before arrival of Stage 3 Section 4)	03h00
------------------	---	-------

At the end of stage 3, competitors have 3 hours maximum to complete Service A. Assistance is allowed for 2 people per vehicle, identified with "SERVICE", arms band. After the Service, the vehicles will be placed in parc fermé.

Art. 11.09.2 Tyre Fitting Zone

Please see the itinerary Appendix 1 or bulletins

Art. 11.10 Special procedures and activities

Art. 11.10.1 Availability of participants

Participants who park their vehicles in the Parc Fermé upon passing the finish line, must remain available by phone (mobile) until the final classification have been posted.

Art.11.11 Prologue

See programme (Art.3)

Art.11.12 Speed Limited

According to Art. 80.7.1.1 / 2 / 3 and 4 of FIM 2024 WRRCR for the maximum speed by categories. Regardless of the Speed Control Zones, the maximum speed will be limited to 120km/h and controlled on all Road Sections

Art. 11.13. Automatic checking in Transfer Zones

The start time at the end of transfer Zones will be given by GPS. Any possible false start, particularly one made before the signal has been given, will be penalised. The control of the respect of the target times for the "T" are the sole responsibility of the crew; If there is a divergence between the NEU entry/exit panels and the NAV-GPS, the information given by the NAV-GPS will prevail.

Art. 11.14. Broken down or out of use race vehicles.

Broken down or out of use race vehicles must be recovered by their service team. For a service vehicle to be able to assist a competitor stopped in the Selective Section, the representative of the team must ask for the authorisation of the Clerk of the Course who will indicate how the intervention should be carried out.

The Organiser will have some recovery trucks to release the track, if needed, following the instructions of the Clerk of the Course. Any involvement of these vehicles following a competitor request will be at the competitor's expenses.

In the case of retirement, the Crew must inform the Clerk of the Course. Crews who abandon their vehicle do so entirely at their responsibility. The organization can in no way be held responsible for the theft of their vehicle or parts of their vehicle.

Art. 11.15. Coverage

Competitors recognize that the BP Ultimate Rally-Raid Portugal 24 is a promotional operation via which they may benefit, due to the reputation they acquire. The company ACP hold to this end, the rights necessary for the production and transmission by any means and support, throughout the world, images relative to this event. The media disseminate information about the event via the press, radio, television, video, cinema, websites, etc., which in turn promotes competitors and their sponsors. These sponsors are therefore incited to help new competitors on further events. This enchainment effect is created thanks to the BP Ultimate Rally-Raid Portugal 24.

Each of the Event participants acknowledges that their participation in the Event authorizes the Organizer and their assignees or other qualified parties (including sponsors of the Event) to capture and retain, and to subsequently reproduce and represent, without remuneration of any kind, their first and last name,

voice, image, biography and more generally their sports performance within the framework of the Event as well as the trademark(s) of their equipment manufacturers, constructors and sponsors in any form, on any existing or future medium, in any format, for any communication to the public throughout the world, for any use including for advertising and/or commercial purposes and for no other limitations than those indicated below. The Organizer and its assignees or other qualified parties may exploit the fixed or audio-visual images of the Event for any use other than for advertising and/or commercial purposes (including TV and/or digital content, gaming, etc...) – and the promotion of the Championship is not regarded as an advertising or commercial exploitation – for the period of protection currently granted to these types of use under intellectual property legislative and regulatory provisions, the judicial and/or arbitration decisions of all countries, and current or future international conventions, including for possible extensions that could be made to this duration. The Organizer, when authorizing an assignee to use images of the Event for advertising or promotional purposes, shall limit the exploitation duration granted to 10 (ten) years following the date of the annual of the Event concerned.

The Organizer, when authorizing an assignee to use images of the Event for advertising or promotional purposes, will not allow said assignee to use a Participant's first and last name, voice, image, biography or sports performance individually, not more than the trademark of their sponsor or equipment manufacturer for the purposes of a direct or indirect association between this Participant, the trademark of their sponsor or equipment manufacturer and the product, service, trademark or commercial name of said assignee without the express authorization of the Participant, sponsor or equipment manufacturer concerned.

Likewise, with the express exception of books, photo books, comic strips, in any publication format, posters, roadbooks, signed souvenir cards, maps, and official programs relating to the Event, of any commercial videos, on any medium and in any format, the subject of which is wholly or partly related to the Event, the Organizer, shall not use or authorize the use of a Participant's individual image as part of marketing derivative products known as merchandising without the Participant's express authorization.

Art. 11.16 Autonomy

1) MOTO RALLY (RALLYGP and RALLY2) and QUADS must have a minimum autonomy allowing them to cover a minimum range of 250 km.

RALLY3 motorcycles must have a minimum autonomy allowing them to cover a minimum range of 120 km. For safety reasons a 10% margin is required.

For intermediate refuellings for RALLY3 category, the neutralization time will be of **5 minutes**. RALLYGP and RALLY2 competitors are not obliged to stop. Only RALLY3 competitors can refuel at these intermediate refuellings.

Each competitor is responsible for calculating the fuel range of his motorcycle. In no case may competitors make any claims against the organizers if their machine fails to cover this minimum distance, regardless of the nature of the terrain.

2) Refuelling during selective sections is planned by the organization in defined areas. For road sections, commercial petrol stations authorized for refuelling will be indicated on the road book.

3) The team is responsible for transporting the fuel to the intermediate refuelling.

Art. 11.17 Openers bonus

For BP Ultimate Rally-Raid Portugal there will be no openers bonus.

FIM Riders' insurance information

The rider's insurance policy set up by the FIM is a service for all the Federations that are part of the programme for the period from January 1, 2024 to December 31, 2024.

Who is covered:

- Riders with a FIM licence issued by a Federation which is part of the FIM riders' insurance programme.
- Riders competing in MotoGP, Moto2, Moto3 and MotoE are not part of the FIM riders' insurance programme and must follow the guidelines of their respective Federation.
- Riders competing in a Cross-Country Rally must follow the guideline of the Rally organiser.

Validity of the insurance:

- For all events on the FIM/CONUs/NMFP Calendars with an International Manifestation Number (IMN) or a National Manifestation open to Foreign Participation Number (NMFP).
- For racing activities included in the official programme of the event only!
- Travel to and from the event venue.

Scope of coverage:

In case of racing incident, the FIM riders' insurance programme would cover:

- **Emergency Medical treatment on the event's place** (subsidiary and complementary to any other insurances the rider may hold)
- **Repatriation to the rider's country of residence** (as declared on the FIM Licence extranet by the rider's FMN)
- **Death and Disability** (Riders with a FIM licence issued by a Federation which has subscribed this benefit through the FIM program)

Coverage is provided only in the country (or countries) where the insured event takes place, which may be anywhere in the world including the insured's principal country of residence.

Please note that this is an EMERGENCY insurance and in order to avoid any problems please follow the correct procedure.

What to do?

Before departure:

- Always check beforehand whether your personal health insurance card is still valid.
- For European citizens, please travel with your European Health insurance card.
