FIA SAFETY EMERGENCY CONSOLE SYSTEM

All competitors are reminded about Art. 11.7 of the Supplementary Regulations of the rally:

The FIA Safety Emergency Console System device may be removed in the final parc fermé by a team member under the supervision of a scrutineer. In any case, the device must be returned to STATUS AWARENESS SYSTEM (SAS) truck in Service Park no later than 30 minutes after the Stewards have authorised the opening of the parc fermé. Should a crew retire, the equipment must be returned immediately to SAS.

Any non-compliance will be reported to the Stewards.

Kai Tarkiainen
Clerk of the Course
