

# SCCON & AMSC AutoSOLO, AutoTest & PCA Sponsors: MC Engineering & Stratton Auto Services

Sunday 29<sup>th</sup> October 2023, Snetterton Race Circuit, NR16 2JU

## Final Instructions To Marshals

Thank you for being part of this event organised by SCCON & AMSC with support from organisers and marshals from other clubs within the AMSC. Your help is greatly appreciated!

### Venue

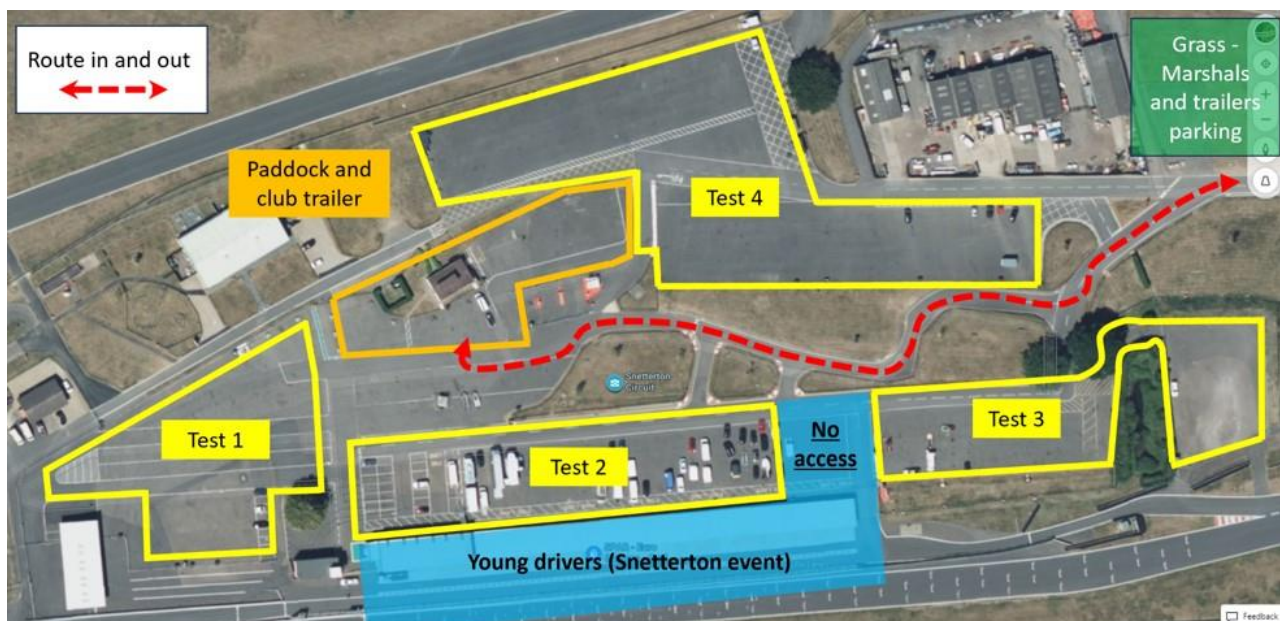

The venue is Snetterton Circuit, NR162JU, off the A11, 10 miles northeast of Thetford.  
Access to the venue is via the main entrance. (Map ref: 144 / 007½ 896)

The access and route instructions are in the Safety Manual which is also being published to Sportity. Please make yourself familiar with the contents of the manual for your safety and the safety of others.

Please park in the **green** Marshals and trailers parking area (top right of map).

Space will be limited in the main paddock area.

**STRICT NO ANIMALS POLICY AT SNETTERTON CIRCUIT**

## Catering

Tyrells Café will be open! We will provide you with a voucher that you can use once in exchange for a lovely hot meal and drink at breakfast or lunch.

## Toilets

Snetterton has permanent buildings for toilet blocks that are well sign posted. If you are not sure, just ask.

**New to Marshalling?** Don't worry! See a specific section further in this document.

## Timetable

### CLOCKS GO BACK 1hr ON SUNDAY 29<sup>th</sup> OCTOBER!!!

7:30am	Gates open
8.00am	Scrutineering opens – noise test at Test 1 before 1 <sup>st</sup> run
8.05am	Signing on opens
<b>8.30am</b>	<b>Marshal's briefing by Howard Joynt &amp; Vini Cruz @ SCCON Trailer</b>
9.00am	First test starts

**10mph MAX speed limit on site.** Be aware of pedestrians when manoeuvring around the paddock and driving to tests. The venue is open to the public on the day so **there will be pedestrians.**

We intend to hold three (3) runs of each of four (4) tests before lunch break.

**Lunch – Tyrells open serving hot food!** - Duration ~1 hr.

### **AMSC Challenge 2023 Group Photo!**

10 minutes before afternoon tests start – all competitors and marshals to gather on test 2.

We intend to hold two (2) runs of each of four (4) tests in the afternoon.

Runs in the morning or afternoon may be reduced if the event is running behind schedule.

### **End Of Day Clear Up And Awards**

PLEASE help pile up cones in stacks of 5. A pair of pliers/scissors to remove cable ties. Carry singular cones only, do not attempt to pick up piles of cones.

Awards of the day presentation at SCCON trailer (or Tyrells if inclement weather) after tests cleared.

### **AMSC Challenge 2023 Awards Presentation**

**Tyrells Café:** Free nibbles will be available and the bar open!  
(non-alcoholic beverages for drivers!)

## On-Line Document Access

Help will be available for those who don't have access to a smart phone.

## Sportity App

The event's official notice board is on-line at.

<https://webapp.sportity.com/channel/AMSCAUTOSOLO>

You can also install it on your Android or Apple phone or tablet using the QR Codes here.

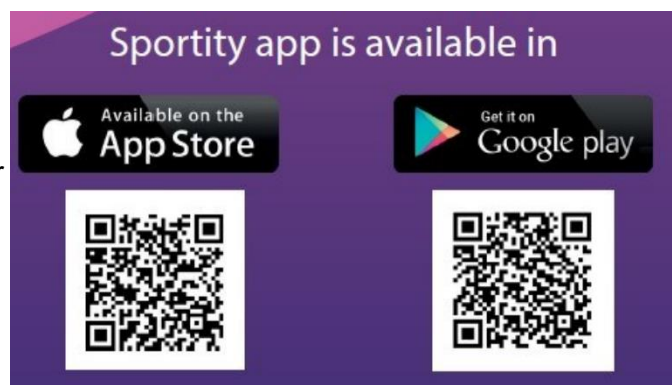

The Password for the event is "AMSCAUTOSOLO"

All the event documents will be available here

We would recommend you install and use this App

as it is the way we will be publishing documents for

this event. If you have trouble accessing the documents please contact the Event Secretary or Clerk of the Course.

## "Paper-less" Autosolo

Following other AMSC rounds, we are minimising paperwork with the exception of:

**Check Sheets & Test Diagrams** - These will be provided to Marshals via a Marshals pack for each of the test locations, along with information on the TimingAppLive password.

These will also be available on the Sportity app prior to the event if marshals wish to review or print their own.

## New to marshalling?

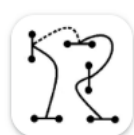

What to bring (in order of importance): Warm waterproof clothing. A high-vis vest, a pen/pencil and a clipboard, snacks and drinks, a whistle and a phone charging battery if you have one.

Ask lots of questions to the other marshals on your test. You will be with experienced people.

## Timing

Timing will be via the mobile app: "TimingAppLive". You can install this app on your smart phone or tablet.

Search the Android or Apple app stores for "timingapplive" from Sapphire Solutions .Ltd

# TimingAppLive

Sapphire Solutions Ltd.

If you are a start and/or finish marshal, you will need to operate the following:

Open the app, press Login and enter the code that will be supplied on the day.

Select "app timing" then the event: "**29 Oct 2023 Snetterton Autosolo**"

Then "Start and Finish". You will now be in the tests screen.

If you are able to, please bring along additional battery charging facilities to avoid your mobile running out. Come to the SCCON trailer at lunch if you need your phone charging.

We hope to be able to allocate at least 2 timing marshals to each test, one using the app timing the competitor, complete the timing by calling them away from the stop line, adding any penalties to the app, then calling the time out loud to the second marshal who is manually recording the time as a backup.

**Noise** – this will be randomly tested throughout the day.

### **Radios**

There will be PMR radio handhelds operating on Channel 9 for event management. Channels 5 (test1), 6 (test2) , 7(test3), 8 (test4) for each test.

There will be two handheld radios per test.

Use the person's name for all formal communication. Precede calls with safety or urgent as appropriate if dealing with event management or an incident. Wait out if an urgent call is in progress.

### **Core Officials**

<b>Position</b>	<b>Name</b>	<b>Telephone</b>
Clerk of the Course	Vini Cruz	07908 239 339
