(non-alcoholic beverages for drivers!)

SCCON would like to thank Stratton Auto Services and MC Engineering for their generous event sponsorship enabling this event to take place.

Please promote our sponsors by running supplied car stickers for the day.

Scrutineering

All competitors need to go through scrutineering first, collect a “pass ticket”.

The scrutineers will find you in the paddock and check the following :-

- Tyres - Minimum Depth 1.6 mm No obvious bulges or damage
- Wheel Nuts/Studs are present and tightened
- Seat Mountings secure - including passengers in the PCA class
- Steering wheel secure
- Brake Pedal has a solid feel
- No loose items in car or boot (e.g tools/jacks)
- Under Bonnet - no loose cables /pipes.
- Yellow tape on Battery Earth Terminal . We have some available
- No leaks.
- Spill Kit in car – optional

MOT and tax status of vehicles for classes A1, A2, B and C will be checked electronically by organisers. Vehicles in these Autosolo classes must be driven to the event.

Noise

Cars will be asked to start up to ensure the exhaust system is working. The scrutineer does have a noise meter and some cars will be checked in accordance with J 5.17 & 18 in the Motor Sport Regulations. Noise levels may be checked at scrutineering or during the day in the queue to a test.

Processing and Sign-on

With your pass ticket from scrutineering in hand, go to the black SCON club trailer to sign-on presenting your club card & MSUK RS Clubman’s licence (printed or electronic copy on your phone).

You will receive car numbers to display on the inside of your rear side windows (or side of car for soft-tops).

There will be no other paperwork provided.

All other paperwork will be available electronically on the Sportity mobile app. Help will be available for those who don’t have access to a smart phone.
