

FIA European Historic Rally Championship 2024

Date Effective: Monday, 08 January 2024

Official Championship Bulletin Number 1:

Subject: Bonus Starting Points for FIA EHRC 2024.

In line with article 3.1.2 of the 2024 FIA EHRC Sporting Regulations (available at www.fia.com), the FIA confirms the following events have been selected to offer additional starting bonus points in the 2024 season only:

- **Historic Rally of Asturias (ESP) – Round 3 of 9.**
- **Historic Acropolis Rally (GRC) – Round 9 of 9.**

For the avoidance of doubt, any 2024 FIA EHRC registered competitor(s) entering one (or both) of these rallies will score 10 starting points per event providing both crew members start the qualifying event from TCO onward.

Bonus starting points will be awarded to both driver and co-driver.

Bonus Points will be automatically awarded by the FIA EHRC Championship Administrator.

Competitors do not have to enter *both* rallies to qualify for the bonus.

In the event that one or both of the rallies are cancelled, FIA reserves the right to cancel the implementation of these additional bonus starting points.

All other qualifying rounds of FIA EHRC in 2024 will offer 2 bonus starting points, as stated in the 2024 FIA EHRC Sporting Regulations.
