

FIA European Historic Rally Championship 2025.

Date Effective: Wednesday 26th February 2025 15:00 CET.

[Official Championship Communication / Bulletin 4:](#)

Subject: Historic Vltava Rallye – Change of Dates.

The FIA issues this bulletin to update competitors in regard to the format and schedule of the 2nd round of the FIA EHRC, **Historic Vltava Rallye**.

The event was outlined to take place on *April 25/26* (Friday and Saturday), as it has done for many years and as published in the FIA International Calendar in December 2024.

The FIA received communication from the event organiser and the ASN in the Czech Republic on 13th February to officially inform us that it is not possible to run the event on the Friday and Saturday as intended. The City authorities have requested that the special stages are used on the Saturday and Sunday only, with no permission given to run special stages on the Friday.

The FIA World Motorsport Council have now accepted the change of date request and the FIA calendar is to be corrected following this date clarification.

The competitive element of the Historic Vltava Rallye is now confirmed as:

Saturday 26th and Sunday 27th of April 2025.

The event organiser (PAMK Klatovy) sincerely apologises to competitors who may have already made travel plans based on a Friday/Saturday format.

Competitors affected by this situation should contact the organisers directly.
