C. ADMINISTRATIVE CHECKS

Administrative checks takes place according to timing in annexe 1 at the following location:

*HQ Yperley
Sint-Jacobstraat 1
B-8900 Ieper*

Reserved parking spaces within walking distance of the headquarter will be provided. See 'general overview map' for more information about access route & parking options.

The following documents will be checked:

- Drivers pilot & navigator (*)
- Valid license pilot & navigator (**)
- Tripy insurance (***)

A member of the team may carry out the administrative check on condition that he / she is in possession of the original documents.

A time control will be placed.

(*) If the navigator does not have a driving license, the navigator may not drive the participating vehicle

(**) only RACB or other (inter) national license are permitted. Who is not in possession of a valid license must submit an one event license in advance via www.racb.be (request 'one event license' not possible during administrative checks!)

(***) see annexe 2

D. SCRUTINEERING

Scrutineering takes place according to timing in annexe 1 at the following location:

*Bouwwerken Christophe Samyn
Frankrijklaan 18
B-8970 POPERINGE*

See 'general overview map' for the exact location.

The following documents will be checked:

- Mandatory documents from which the vehicle was registered
- Valid insurance

During scrutineering, the Tripy time registration system will be installed in the car. Participants must make the necessary arrangements for this. For further instructions, see regulations.

A member of the team may carry out the administrative check on condition that he / she is in possession of the original documents.

A time control will be placed.

!!!! WINTER TYRES

Only winter tyres may be used, regardless of weather conditions. These tyres have a specific marking on the lower part of the tyre sidewall, corresponding to the logo below and must be visible at all times. The logo must be at least 15mm high by 15mm wide with the indication 'M+S' or 'M&S' if existing.

E. TRIPCHECK

The trip check can be found on the online notice board.

F. SHAKEDOWN

Only for registered teams. Registration closed.

The registered teams receive a road book and time card during the administrative check. The shakedown consists of 2 different regularity tests, each of which can be accessed at most once. Control will be carried out by means of the times card.

The shakedown regularity tests are available on Friday, November 21 between 12h30 and 15h00. Teams must first perform the scrutineering before driving the shakedown tests.

Results of the shakedown tests will be available on the official notice board. Results of the shakedown will not be included in the general classification and will not determine the start order LEG 1A.

G. START PARK

The starting park is located at the following location:

*“Parc fermé”
Sint-Maartensplein
B-8900 Ieper*

The competitor or a representative of the team must place the car in the starting park between 13h00 and 16h00. Cars that are in the starting park fall under the 'parc fermé regime'.

See 'general overview map' for the exact location.

A time control will be placed.

H. BRIEFING

The mandatory briefing takes place at the following location:

*HQ Yperley
Sint-Jacobsstraat 1
B-8900 Ieper*

Session 1 - Dutch at 16h00;

Session 2 – English/French at 16h30.

I. START LIST / START ORDER

The layout of the competition is as follows:

- FRIDAY 22 NOVEMBER LEG 1A*
- SATURDAY 23 NOVEMBER LEG 1B*
- SUNDAY 24 NOVEMBER LEG 2

* = To highlight the history of the Ypres rally (the Ypres 24 Hours), the Friday evening stage (LEG 1A) and the Saturday stage (LEG 1B) together form 'LEG 1'

The starting order will be as follows:

- LEG 1A year of construction of the vehicle offered during scrutineering with the exception of priority teams;
- LEG 1B classification order after SS 8
- LEG 2 classification order after leg 1B (except top 10)

'TOP 10 LEG 2 START ORDER SELECTION'

The crews of the top 10 in the overall ranking after LEG 1B are invited to the Winterbar (HQ Yperley, Sint-Jacobstraat 1) on Saturday evening at 18:30 to choose their starting order for LEG 2. **Attendance of both pilot and navigator is mandatory.**

The team in the lead in the provisional standings after LEG 1B may determine its starting position of LEG 2 first. The team second in the provisional standings may choose its starting position second. The team ranked third, third. And so on.

The start list with departure times will be available on:

- LEG 1A Friday 22 November at 17h00
- LEG 1B Friday 22 November at 23h30
- LEG 2 Saturday 23 November at 19h30

J. TIMING

A detailed timing of all time controls, regularity tests, distances & driving times can be found in annex 3. The driving times stated on the time card are the correct ones.

K. ROADBOOK COLLECTION

For each 'leg', 1 roadbook and 1 time card will be hand out:

- Roadbook + time card 'LEG 1A' **30 minutes** before starting time
- Roadbook + time card 'LEG 1B' **30 minutes** before starting time
- Roadbook + time card 'LEG 2' **30 minutes** before starting time

The roadbook collection point is organised at following location:

*HQ Yperley
Sint-Jacobstraat 1
B-8900 Ieper*

L. TIME CONTROLS

Early check in is allowed at:

- TC 1D
- TC 2D
- TC 2H
- TC 3E

For each leg, the crew may be delayed for 15 minutes in total without penalty. The maximum delay per leg is 30 minutes.

M. COMPETITOR RELATIONS OFFICER

The contact details of the competitor relations officer and the meeting places can be found in annex 4. **Requests to cancel timing points due to delays caused by external factors will not be answered and will be processed automatically through the joker results.**

N. REGULARITY TESTS

Regularity test sections are organised on roads open to public traffic and will always be provided with a manned start. The post commissioner records the start time of the team on the time card. The crew is responsible for starting at the listed time.

It is forbidden to overtake other participants in the 500m prior to a start of a regularity test unless that other crew with technical problems can no longer move on their own.

Between TC 3B and START SS 23 (RT Early Bird), teams with start position 1 till 10 are prohibited from deliberately passing or overtaking other competitors.

The imposed average speeds for all regularity tests can be found in annexe 5. Two categories of average speeds are available per regularity test:

- average speed 'normal conditions'
- average speed 'exceptional conditions'

By default, the average speed 'normal conditions' will be used. If the average speed 'exceptional conditions' applies to one or more regularity tests, the marshal at the start of the relevant test will inform the participant via a sign 'art 9.5.1 – exceptional conditions. Use average speed 'exceptional conditions'.

During regularity tests, manned passage controls may occur. All passage controls are mentioned in the road book. After a passage control there is no time recording during 500m. Passage controls may be located on the left or right side of the road.

O. CLOSED ROAD STAGES

Closed Road Stages are regularity tests on closed roads and the same provisions as a regularity tests on public roads. **Wearing a helmet & seat belts is mandatory** (helmet & belts should not meet FIA homologation standards). After a closed road stage is finished, wearing the helmet is not allowed.

Chicanes or "stop & go" zones may occur during a Closed Road Stage. These will be clearly indicated in the road book. At a stop & go, the participating vehicle must come to a complete stop for 1 second. A 'stop & go' will always be manned by a marshal. The marshal will use a lollypop to restart the participating vehicle after a 1-second stop. After a stop & go there is not time recording during 300m. Ignoring a stop & go and touching a cone will be penalised (see regulations).

SS 10/13 - CRS Comines

The start of SS 10/13 - CRS Comines is a 'flying start'. The exact position of the flying start will be clearly marked in the road book and a 'start board' will be set up on the spot. At the flying start, set your trip meter to 0.00 km and start your chrono. It is forbidden to stop at the flying start.

P. ROADBOOK

An example of the road book can be found in annex 6.

SS 17, 20, 22 & 30 are 'Secret Regularity Stages'. The route of respective stages is not in the roadbook and will only be handed out at the start of the respective stage (exactly 5 seconds before your start time).

Q. TIME CARD

An example of a time card can be found in annex 7.

R. ALTERNATIVE ROADBOOK

If a regularity test or closed road stage is cancelled, a marshal will make this clear at the start of the relevant regularity test or closed road stage. The marshal will make use of the sign with the inscription 'stage canceled - use alternative road book'. An alternative route for each regularity stage can be found at the end of the roadbook.

S. DETOURS DURING LIAISONS

Detours during liaison routes will be made known by a bulletin or indicated on the spot by means of bypass arrows. The arrows are recognizable as follows. If the diversion is made known by means of a bulletin, no diversion arrows will be placed.

T. SPEED CHECKS

Speed checks will be carried out in all zones in the roadbook indicate with the speed check symbol.

If a speed check zone takes places during a regularity test, there will no timing points from the beginning of the zone until 500 meter after the end of a zone **and 100 meter before the start of a speed zone.**

Penalties with regard to speed violations set by the organization can be found in the regulations art. 8.4.1.

In these zones it is forbidden to use additional lights. The penalties with regard to the use of additional lights during a speed zone can be found in the regulations art. 8.4.1.

U. OVERNIGHT PARK

During the night of Friday November 22 and Saturday November 23, the crew is allowed to take the car out of the overnight park. When the crew decide to take the car out of the night park, the crew is obligated to remove the car out of the overnight park within 30' after his arrival time in the night park. The crew is also obliged to place the car back in the overnight park at least 30' before the start time of the next competition day. For security reasons, the overnight park is closed between 30' after arrival of the latest car to 30' before the departure of the first car of the next competition day.

On Saturday November 23, crews must leave their car in the mandatory parc fermé till 20h30. Between 20h30 and 21h30 the crew is allowed to take the car out of the overnight park. For security reasons, the overnight park is closed between Saturday November 23 21h30 and Sunday November 24 06h00. **During the night from Friday to Saturday and during the night from Saturday to Sunday, the night park is guarded.**

V. SERVICE MAP BOOK / SERVICEPARK

The organisation provides every registered service crew:

- a servicecrew map book
- a servicecrew sticker
- any meal vouchers (if request on the entry form)
- any hotel information (if request on the entry form)

These information will be provided during administrative checks.

Large (fixed) infrastructures & mobile homes can be set up at following location:

*parking old train station

W. BREAKDOWN SERVICE

The organisation will provide a **technical assistance and towing service**.

Contact info:

0032 (0) 475 32 32 48 - Marc Seyns

This team can assist you if you need technical assistance or can bring your vehicle back to the fleet.

The following costs are at the participant's expense:

- All works carried out
- Materials consumed will be charged

In case you run **off-road**, then the following procedure applies:

1. You wait for the closing vehicle; the closing vehicle may tow you back onto the road (a regularity test will not be interrupted because of a road abandonment)
A) If you can continue your way, contact 'rally office' via the emergency number who will inform you of the position where you can resume the race
B) If you are unable to continue your way, you may contact the towing service mentioned above to tow you back to the car park

Only if the closing car cannot help you tow you back onto the track, then you can contact one of the towing firms listed below. These towing car services are not affiliated with the organisation. The costs and pricing of the intervention are not the responsibility of the organisation.

*LEG 1A, LEG 1B (before lunch), LEG 2
LEG 1B (after lunch)*

*Depannage Rik (24/7 depannage)
