Decision No 1

From:	The Stewards	Date:	23 August 2025
To:	Driver/Competitor : #311 Nicolas LANGHENDRIES	Time:	19:25

The Stewards, having received a report from the Technical delegate (report 6.5), summoned by CLO and heard the competitor/driver Nicolas LANGHENDRIES, have considered the following matter, determine the following:

Driver and car No: #311, Nicolas LANGHENDRIES

Competitor: Nicolas LANGHENDRIES

Time (fact): 23/08/2025 – 17:35

Session: Scrutineering after Heat 1

Fact: The panel with the roof number is mounted on the bonnet.

Offence: Breach of Article 13.6 of the Article 279B of the Appendix J of the International Sporting Code.

Decision: A fine of 250 € to the Competitor, which is suspended from now to the end of the season, subject to no further breach by Mr. Nicolas LANGHENDRIES of the above-mentioned Article.

Reason: The FIA Technical Delegate stated in the report that in the regulations is written that the competition number must be displayed once on each side of the car and on each side of a panel on the roof or on the engine bonnet. In car #311 the panel with the number is mounted on the engine bonnet, what is not in accordance with art. 13.6 of the Article 279B of the Appendix J of the International Sporting Code, where is written that the panel with the number must be mounted on the roof.
Mr. Nicolas Langhendries admitted the measurement and the fact that the location of the number is on the engine bonnet. He stated that they will mount the number over the roof of the car before the next start.
The Stewards, after analysing the matter extensively, considered that the car was not complying with the Regulations, therefore a breach have been committed. Taking into account the particularity of the case regarding the location of the panel of the competition number (location over the roof or over the engine bonnet) in order to take the measurement, the Stewards elect to impose 250 € fine applied with suspension of sentence, subject to no further breach of the Article mentioned, between now and the end of the 2025 FIA European Cross Car Championship Season.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
