ROUND 5 OF THE 2025 FIA EUROPEAN CROSS CAR CHAMPIONSHIP

DECISION No 1

From:	The Stewards	**Date:**	05.07.2025
To:	#349 Martin KUNC	**Time (decision):**	15:32

The Stewards, having received a report from the FIA Technical delegate (Report No. 6.5), summoned by CLO and heard the competitor/driver Martin KUNC, have considered the following matter, determine the following:

Driver and car No: #349, Martin KUNC

Competitor: Martin KUNC

Time (fact): 14:20

Session: scrutineering check after Qualifying practice session 2

Fact: Car has a ECU mapping not in accordance with a mapping specified in Sporting Bulletin No. 1.

Offence: breach of the Sporting Bulletin No. 1 from the 12.2.2025. Subject : Engine mapping firmware version / 2025 European Cross Car Championship

Decision: Disqualification from the Qualifying practice session 2

Reason: According to the report from the FIA Technical delegate (Report No. 6.5), The car has a ECU mapping not in accordance with a mapping specified in Sporting Bulletin No. 1. During the scrutineering check the ECU had no communication. When further technical checks we dismantled the ECU an checked directly in the ECU confirmed that the mapping was not OK. The throttle was opening 100% and this is not according to the sporting bulletin. In this car we also mounted a Datarecorder before QP2 and the data recorder showed that the throttle position was 100%. For the approved mapping it is restricted to maximum 93%. Taking this into consideration the Stewards decided to disqualify the competitor/driver from the Qualifying practice session 2.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
