2023-05-14 17:51:00	XC SF1 #306 DISQUALIFIED - STEWARDS DECISION NO.3

CODE OF DRIVING CONDUCT

THE LAW BOOK:

1. ACCORDING TO APPENDIX L OF THE SPORTREGS.

CHAPITRE V - CODE DE CONDUITE SUR CIRCUIT OFFROAD

1. Respect des signaux

Les indications figurant dans l'Annexe H du Code Sportif International sont considérées comme faisant partie du présent code de conduite. Tout pilote doit s'y conformer.

2. Dépassements, contrôle de la voiture et limites de la piste

a) Une voiture qui se trouve sur la piste peut utiliser toute la largeur de ladite piste. Cependant, dès qu'elle est rejointe par une voiture qui est sur le point de lui prendre un tour, le pilote doit permettre au pilote plus rapide de le dépasser à la première occasion possible.

b) Le dépassement, compte tenu des possibilités du moment, peut s'effectuer sur la droite ou sur la gauche. Un pilote ne peut délibérément quitter la piste sans raison justifiable. Un seul changement de direction pour défendre une position est autorisé. Tout pilote revenant vers la trajectoire de course, après avoir défendu sa position hors trajectoire, devrait laisser au moins une largeur de voiture entre sa propre voiture et le bord de la piste à l'approche du virage.
Toutefois, des manœuvres susceptibles de gêner les autres pilotes, telles qu'entraîner volontairement un véhicule au-delà du bord de la piste ou procéder à tout autre changement anormal de direction, sont strictement interdites. Pousser un autre concurrent ou tout autre type de contact entraînant un avantage durable est strictement interdit. Tout pilote jugé coupable de l'une des infractions susmentionnées sera signalé aux Commissaires Sportifs.

2. ACCORDING TO Art. 12.2 OF THE SPORTREGS.

12.2.2 Black and white flag, and black flag

a) ~~The black and white flag will be shown during two laps together with the starting number.~~ The black and white flag together with a panel with the starting number (80 x 60cm) will be shown during two laps. Showing of the black and white flag means that the Driver whose number is shown will be under investigation.

b) ~~The black flag will be shown together during two laps with a panel, 80 x 60cm, with the starting number. If a black flag is shown in a heat,~~ The black flag together with a panel with the starting number (80 x 60cm) will be shown during two laps. If a black flag is shown in a practice/race, the Driver has to go immediately to the paddock.

c) The race director (or the clerk of the course in the absence of the race director) may use the black and white and/or black flag during practice, the race, or afterwards if further investigation is required. The official using the black and white and/or black flag must confirm the reason for its use in writing to the Driver and the Competitor.

~~The reason for the decision to use the black and white and/or the black flag must be confirmed to the Driver and his Competitor in writing by the race director.~~

Art. 12.2.2.g Drivers who receive a black flag more than twice in a single season will have 5 championship points deducted for each occurrence from the third Black Flag onwards.

3. Art. 14 of the Race Director's Event Notes.

14. CODE OF DRIVING CONDUCT (REMAINDER) / WHITE AND BLAK AND BLACK FLAG

Ground rules according to Chapter V of Appendix L of the ISC

The driver is responsible for ensuring that the manoeuvre is carried out safely at all times and may freely choose to drive on the right or left only if it is 100% clear to do so--meaning that no part of another car is alongside--and violations of the Code of Driving Conduct (see below) may result in the display of the black-and-white flag (warning) or black flag (classified last in the Heat, ahead of those who did not start, and classified last in the Semi-/Finals, ahead of those who did not start), in accordance with Art. 12.2.2 of the SportReg, or may be reported to the Stewards for review and decision.

ATTENTION

14.1 Closing the gap or significantly reducing the gap and causing a collision (either side-by-side or from behind), is strictly prohibited.

In a single race, a repeated collision or heavy contact occurs without any change in position, and both involved drivers are able to continue, provided that no other circumstances (criteria) listed below in Art. 14.2 In such cases, a black-and-white flag will be shown as a minimum.

In the event of equivalent repeated incidents during the same competition, a decision may be made to show the black flag.

14.2 Decision to Show the Black Flag (in case of one or several criteria below):

a) abnormal changes of direction (especially after the start or at the breaking point, e.g., late defensive moves) or continually taking the line to the edge of the track,

b) failing to respect another driver's racing line;

c) driving unnecessarily slowly, erratically, or in a manner considered potentially dangerous to other drivers at any time,

d) and pushing or closing the gap or significantly reducing the gap and causing a collision (either side by side or from behind),

as a consequence, the affected driver(s) is forced off the racing line or track, or into a wall, or is prevented from maintaining racing speed and loses one or more positions, or is forced to retire, or if contact results in a lasting advantage, these actions are strictly prohibited.

These criteria include serious mistakes or any indication of a lack of control over the car.

14.3 It is strictly prohibited for drivers to drive their cars in the opposite direction of the race.

Reported to the Stewards

CODE OF DRIVING CONDUCT

THE LAW BOOK:

1. **UNSAFE RETURN TO THE RACING LINE**
   (Art. 14.2.9 of the SportReg)
2. **CAUSING A COLLISION HARD SIDE BY SIDE OR BACK**
3. **NOT RESPECTING OTHER'S RACING LINES AND CAUSING A COLLISION OR FORCING OFF RACING LINE AND /OR OFF-TRACK**
4. **OPPOSITE DIRECTION STRICTLY FORBIDDEN**
   (Art. 12.1.5 of the SportReg)
5. **ABNORMAL CHANGE OF DIRECTION, CONTACT RESULTING IN A LASTING ADVANTAGE**
   (Art. 2b of the App L of the ISC)
6. **SERIOUS MISTAKES OR THE APPEARANCE OF A LACK OF CONTROL OVER THE CAR**
   (Art. 2d of the App L of the ISC)
7. **UNNECESSARILY SLOWLY OR IN A MANNER DEEMED POTENTIALLY DANGEROUS TO OTHER DRIVERS**
   (Art. 2e of the App L of the ISC)

ONE YELLOW FLAG:

MAY REDUCE SPEED, DO NOT OVERTAKE, AND BE PREPARED TO CHANGE DIRECTION

- There is an obstacle beside or partly on the track, not on the racing line
- Overtaking is not permitted between the yellow flag and the incident …

… and has not entirely passed the **LAST** OBSTACLE

DOUBLE YELLOW FLAGS:

MAY REDUCE SPEED SIGNIFICANTLY, DO NOT OVERTAKE, AND BE PREPARED TO CHANGE DIRECTION OR STOP

- There is a hazard wholly or partly blocking the track and/or "racing line"

- Overtaking is not permitted between the first yellow flag and the incident…

… and has not entirely passed the **LAST** OBSTACLE

MARSHAL'S SIGNS

Follow the marshal's signs,
will be used together with **YELLOW FLAG**

The arrow to the left or right indicates the recommended direction to pass obstacles safely, but the Driver's responsibility is to choose the direction.

WHITE FLAG

TO INDICATE THAT THERE IS A MUCH SLOWER CAR ON THE SECTOR OF TRACK CONTROLLED BY THAT FLAG POINT.

BLUE FLAG

During practice:

A faster car is close behind and is about to overtake.

During the race:

The flag should normally be shown to a car about to be lapped, if the driver does not seem to be making full use of his rear-view mirrors. When shown, the driver concerned must allow the following car to pass at the earliest opportunity.

3 STOPS / REMINDER

LEAVING THE TRACK OR GOT OUT OF THE CAR,

YOU CANNOT RE-JOIN IN THAT RACE

AFTER A HEAVY ACCIDENT STAY IN YOUR CAR. DO NOT ATTEMPT TO LEAVE IT ON YOUR OWN.

WE WILL TAKE CARE OF YOU

RETURNING TO THE CAR

UNTIL THE END OF THE RACE IS PROHIBITED
