FIA Eiropas autokrosa čempionāta posma Latvijā rīkotājs Jānis Bergs /
Jānis Bergs, the organizer of the FIA European autocross championship round in Latvia

Autokross Bauskā ir daļa no vietējās kultūras, paaudžu mantojums. Eiropas autokrosa čempionāta posms Latvijā, lai gan jau tradicionāls, tomēr ir daudzu gadu darba rezultāts. Šī ir iespēja autokrosa līdzjutējiem redzēt augstākā līmeņa autokrosa profesionāļus. Lepojos, ka mana komanda to organizē Latvijā, uzņemam viesus no vairāk nekā 12 valstīm un kuplu skatītāju pulku.

Novērtēju, ka neatlaidīgi strādājot, organizējot vietējā mēroga sacensības, esam izauguši līdz starptautisku sacensību organizēšanai. Ja skatāmies teritoriāli, Bauskai ir lieliska lokācija Latvijas kartē – vidus, gan no Vidzemes, gan Kurzemes viegli atbraukt. Īpaši gaidām ciemos kaimiņus no Lietuvas, jo viņiem tas ir pavisam tuvu.

Aizraujošas sacensības, ātrums, kontaktu cīņa, stratēģija startā un slēgta trase. Skatītājiem trase ir labi pārredzama tribīnēs, tādēļ nav iespējams palaist garām svarīgākos un interesantākos momentus.

Novēlu izbaudīt Bauskas novada viesmīlību, apmeklēt.

Autocross in Bauska is a part of local culture, a heritage of generations. The stage of the European Autocross Championship in Latvia, although already traditional, is the result of many years of work. This is an opportunity for autocross fans to see top-level autocross professionals. I am proud that my team organizes it in Latvia, we welcome guests from more than 10 countries and a lot of spectators. On June 1, Bauska will celebrate its 415th anniversary - we are glad to be a part of this moment.

I appreciate that by persistently working, and organizing local level competitions, we have grown to organize international competitions. If we look territorially, Bauska has an excellent location on the map of Latvia - in the middle, easy to get to from both Vidzeme and Kurzeme. We especially welcome our neighbors from Lithuania to visit us, because it is very close to the border.

Exciting competition, speed, contact battle, strategy at the start, and closed track. For the spectators, the track is well visible from the stands, so it is impossible to miss the most important and interesting moments.

I wish to enjoy the hospitality of the Bauska region and high-level autocross competitions.

INTRODUCTION

Bauskas novada domes priekšsēdētāja vietnieks Aivars Mačeks / Deputy Chairman of Bauska Municipality Council, Aivars Mačeks

Greetings to all supporters and enthusiasts of autocross – welcome to our home, Bauska Municipality!

It's a true pleasure to see the "Mūsa Raceland" track bring together some of the most powerful vehicles and strongest competitors of the European Autocross Championship year after year.
We are honored that once again this high-level racing event is taking place right here – on one of the most exciting and technically demanding tracks in Northern Europe.

This competition is a special event not only for our municipality, but for all of Latvia. It offers a unique chance to see European and Latvian autocross stars up close, observe the vehicles in detail, and experience the race atmosphere both on the track and in the stands.

We thank everyone whose work and dedication ensure that "Mūsa Raceland" is ready every year to host an event of this scale: the organizers, volunteers, technical staff, and partners. Without your efforts, this tradition wouldn't be possible.

While the race days are full of excitement, we also invite you to take some time to explore Bauska Municipality beyond the track.

Try the local food, enjoy the scenic views, and visit one of our cultural or historical landmarks. Even short moments during breaks or on the way can become a valuable part of your overall experience.

I wish the athletes fair competition, the spectators thrilling moments, and all of us – a celebration where autocross brings us together in good spirit and shared excitement.

Sveiciens visiem autokrosa atbalstītājiem un entuziastiem mūsu mājās – Bauskas novadā!
Ar patiesu prieku vērojam, kā gadu no gada "Mūsa Raceland" trase pulcē jaudīgākos spēkratus un spēcīgākos Eiropas autokrosa čempionāta dalībniekus. Mums ir liels gods, ka arī šogad šis augsta līmeņa sporta notikums norisinās tieši šeit – vienā no aizraujošākajām un tehniski izaicinošākajām trasēm Ziemeļeiropā.

Šīs sacensības ir īpašs notikums ne tikai mūsu novadam, bet arī visai Latvijai. Tās sniedz unikālu iespēju redzēt klātienē Eiropas un Latvijas autokrosa zvaigznes, vērot tehniku tuvplānā un izjust sacensību garu gan trasē, gan skatītāju tribīnēs.
Pateicamies visiem, kas ar savu darbu un atdevi rūpējas, lai "Mūsa Raceland" ik gadu būtu gatava uzņemt šāda mēroga sacensības: organizatoriem, brīvprātīgajiem, tehniskajiem darbiniekiem un sadarbības partneriem. Bez jūsu ieguldījuma šī tradīcija nebūtu iespējama.

Lai arī sacensību dienas ir piesātinātas, aicinām izmantot iespēju iepazīt Bauskas novadu arī ārpus trases. Nobaudiet vietējo ēdienu, izbaudiet gleznainos skatus un apmeklējiet kādu no mūsu kultūrvēsturiskajiem objektiem. Arī īsi brīži starplaikos vai ceļā var kļūt par vērtīgu daļu no jūsu kopējā piedzīvojuma.

Novēlu sportistiem godīgu cīņu, skatītājiem – aizraujošus mirkļus, un mums visiem – svētkus, kuros autokross vieno veselīgā azartā un kopības sajūtā.
