Subject: Competitor personal details

It is **vital** that all competitors ensure that the number of the phone you will have on your person on the day of the event is listed correctly on your entry form. This is applicable to both the Driver and the Navigator.

Ensure that next of kin details are correct with particular emphasis on the contact number listed being correct. This is applicable to both the Driver and the Navigator.

Ensure that a correct EIRCODE is listed on the entry form for both the Driver and the Navigator.

All of the above information is vital for ensuring that tracking room can reach you on the day of the Event and also in the event of an emergency.
