

To All Competitors,
Subject: IRDS
02OCT2024

It has come to the attention of Motorsport Ireland that on some stage rally events, team personnel have been driving cars from trailer park to scrutiny on public roads. Competitors are reminded that only competition licence holders (competing in the event), whom are listed on the IRDS/BRDS database and are signed on, are covered under the IRDS policy.

Motorsport Ireland reminds clubs and competitors that IRDS sign on must be completed prior to cars leaving the trailer park. In the case of closed road events this can be done at recce sign on and before cars leave the trailer park in the case of forestry, navigation and endurance events.

Only the person signed on is covered under our policy.

Kind regards,

Gerry O'Brien
