Event: Jack's Rally 2024
Date: 16 - 17 November 2024
Stewards decision number: 2

Doc. no.: 2.3

Publ. time:

From: Stewards
To: Competitor D. Rostek
Class
Driver D. Rostek
Start no.

The Stewards have received a protest from competitor D. Rostek.

After studying all the available verbal, written, video and other evidence / explanations the Stewards decide as follows:

- The protest is inadmissible.
- The protest has been (partially) ¹ admitted. The deposit will be (partially) ¹ returned.
- The protest is rejected. The deposit will be forfeited to the ASN.

Motivation:

Help

The marshals' help did not facilitate the car #1 to start.

The assistance that #1 received from the marshals should not have been offered. It has not been established whether this help was requested or spontaneously offered.

Starting position

The starting official accepted that #1 was in a correct starting position. The starting procedure was started, aborted due to another competitor on the stage and restarted. The fact that the car was further back is irrelevant as it was approved by the starter and did not confer any advantage.

Car #1 immediately started its start procedure as soon as the signal to start was given.

Conclusion

There was no infringement on the regulations which was protested against.

The Stewards have determined that the car #1 did not violate SRR regulation 48.2.4 that was protested against by competitor #2.
