12.3 FINISH PROCEDURE

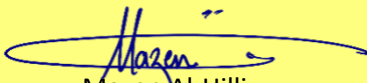

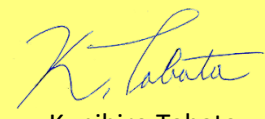

After TC 19A and the technical checks, all crews are required to drive into Toyota Stadium holding parking (the same area used before the Ceremonial Start) and follow the orders given by marshals. After the finish ramp, cars will drive to the final parc fermé or, if directed to do so, to the final scrutineering.

See drawing in **Attachment 1** for the routes to be followed.

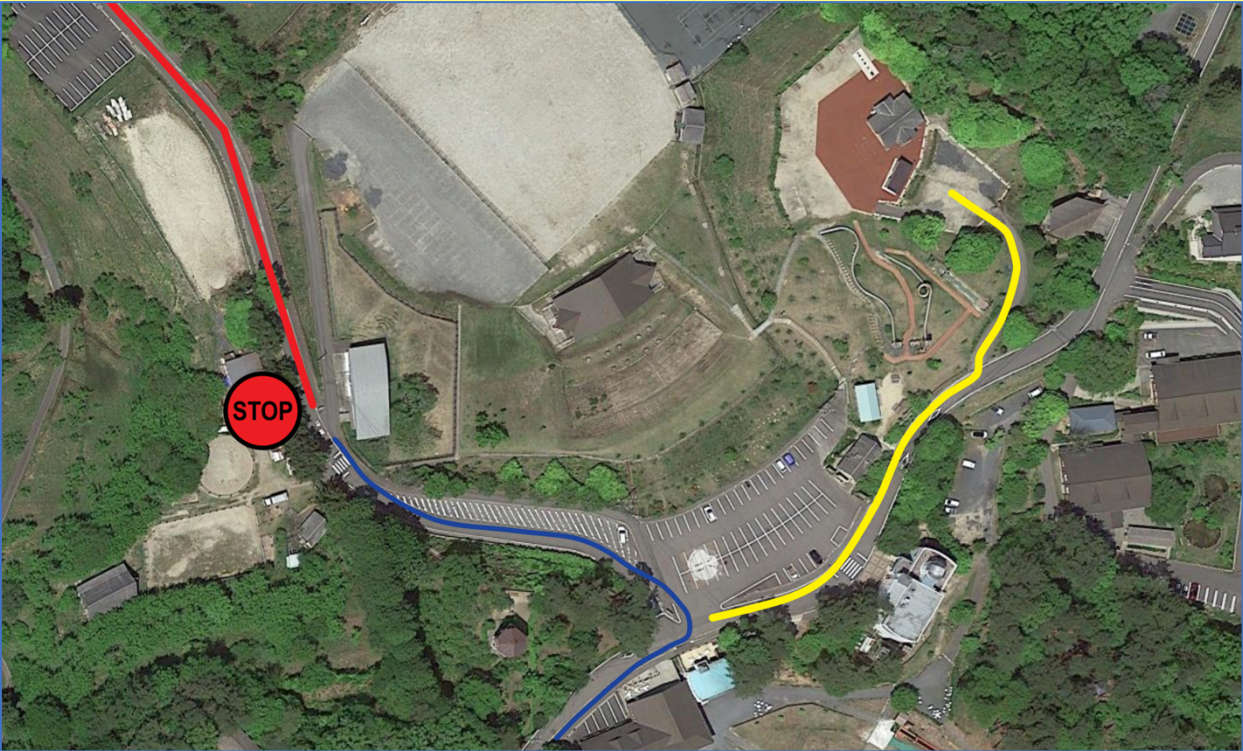

12.9 POWER STAGE (add)

With reference to FIA WRC Sporting Regulations Art 50.5, the crews selected to be available for the Live TV podium will be directed by officials to divert from the road book and follow the route in **Attachment 1** (yellow) in order to make themselves available at the nominated Live TV podium area and remain there until dismissed.

Crews will be held there until such time as they are no longer eligible for a podium position and should then rejoin the road book route (blue).
