The application for a refund, stating the reason for not starting, must reach the Organiser in writing (office@rajd.rzeszow.pl) before the start of the Administrative Checks.

Art. 5. Insurance Cover

Art. 5.1 Insurance coverage for the organiser

Art. 5.1.1 Organiser's liability insurance

The Organiser has concluded an insurance contract with Organiser's liability insurance covering damage caused to a third party during the competition.

The insurance cover will come into effect from the start of the rally and will cease at the end of the rally or at the moment of permanent retirement or disqualification. Cars having retired and restarted shall not be considered to have permanently retired. Crews participating in the Shakedown will be insured for its duration under the same policy.

Art. 5.1.2 Damage caused to the third party

Competitors are reminded that only damage caused to third parties by the Organisers and the entered drivers is covered by the insurance policy taken by the Organisation. Injury to the drivers themselves or damage to participating cars is not covered by this insurance. By submitting their entries, the competitors, drivers and car owners waive any claims or rights to pursue action for damages in connection with the event against the Organiser.

Art. 5.1.3 Car third party liability insurance

All cars participating in the rally must have an obligatory traffic insurance towards third parties.

Art. 5.2 Insurance coverage for competitors and crews

All drivers and co-drivers are obliged to arrange their own accident insurance. The proof should be documented on request at Administrative Checks. The insurance of foreign crews have to cover the costs of possible medical treatment in Poland and their repatriation, if necessary, in the event of an accident.

By the fact of signing the entry form, the competitors and/or driver/co-driver relinquish any claims to compensations of any kind which might result due to incidents during the Rally. The relinquishment is applied to FIA, ASN and the Organiser, officials and other competitors and/or drivers.

Art. 5.3 Damage reporting

In case of an accident, the competitor or their representative must notify the Chief of the Rally Office (phone: +48 695 525 065) as quickly as possible and within 24 hours. They must explain the circumstances under which the accident occurred, eventual causes and consequences. Likewise, they must mention the names and addresses of any witnesses and injured people. Any non-compliance with the above will be reported to the Stewards.

Art. 5.4 Insurance coverage exclusions

Service and auxiliary vehicles, cars used for reconnaissance and other vehicles with special plates issued by the Organiser are not covered by the provided rally insurance (with the exception of insured Organiser's cars) and those are always going on their own responsibility.

Art. 6. Advertising and Identification

See Appendix 4 of these SR "Decals and positioning of supplementary advertising".

All advertising must comply with Polish law. No political, religious or abusive advertising. Advertising for alcoholic beverages and tobacco are forbidden. These laws apply to competing cars, service cars, team equipment and clothes.

Art. 6.1 Obligatory organiser's advertising

Art. 6.3 Proper placement of competition numbers, rally plates and the Organiser's optional advertising on the car will be checked before start to the Shakedown stage – for cars taking part in Shakedown and at TC before Ceremonial Start – for the others. The lack of optional advertising as described according to Art. 6.2 or its incorrect placement (not complied with Appendix 4) will be treated as an entry without the optional advertising. Increased entry fee, according to Art. 4.4.2 of these Supplementary Regulations will be required.

Art. 6.4 The Organiser have the exclusive rights to run every kind of promotional, advertising and commercial activities in the Rally HQ, Start and Finish areas, Scrutineering places, Service Park, Parc Fermé and along the entire route of the rally. Each company interested in running any promotional, advertising or commercial activities at the rally should contact with the Organiser with suitable advance and sign the agreement.

Art. 6.5 During Ceremonial Start and Finish of the rally, the crews (driver and co-driver) are not allowed to be accompanied at the podium by members of their team or any other people. Displaying advertising elements such as flags, banners, umbrellas etc., as well as distributing advertising materials is forbidden.

Art. 6.6 Every competitor and every crew entered to the rally have the right to display the advertising media of their sponsors only on their vehicles (including the competing car), garments of the team members and within the area of their space in the Service Park provided that these media will be installed in such a way that they do not cause the danger to people and objects nearby. Placing advertising outside allocated service area is accepted only after receiving a written permission of the Organiser. Failure to comply with these rule (determined by the Service Park Manager) will be penalized with a financial penalty up to 500% of paid entry fee.

Art. 6.7 Competition numbers supplied by the Organiser must be affixed on both sides of the car on front doors, rear window and two rear side windows - as shown in Appendix 4 of these Supplementary Regulations, for the entire duration of the rally. In case, that any competition number or rally plate is missing during the rally, this will be reported to the Stewards. The lack of two competition numbers or rally plates may result in disqualification applied by the Stewards.

Art. 7. Tyres

Art. 7.1 Regulations regarding tyres which may be used during the rally

See Art. 13 of the FIA RRSR (tyres and wheels).

National cars competing only in RSMP must comply with PZM regulations. National cars competing only in MMSR must comply with SAMŚ regulations.

Hand cutting of tyres is not allowed, with the exception of national classes if the national regulations allow it.

Art. 7.2 Tyres for use on reconnaissance

Only homologated commercial road tyres are allowed.

Art. 7.3 National laws or special requirements

In the course of competition the rims must be clear, with no signage from previous rallies. Insubordination in this field will be reported to the Stewards.

Art. 8. Fuel

All type of fuel must follow Appendix J Art. 252.9. (RRSR Art. 62).

Art. 8.1 Refuelling

Art. 8.1.1 Refuelling is only allowed in Refuelling Area (RA) and commercial fuel station indicated in the Road Book. To refuel in the service park is forbidden at any time.

Art. 8.1.2 Only two team members of each crew may access the refuelling area during the refuelling. The full responsibility for refuelling is on the competitors' site. To access a Refuelling Area, all personnel involved in refuelling operations must wear clothing that provides adequate protection against fire and includes at least: long trousers, long-sleeved top, closed shoes, gloves and a balaclava. It is recommended that each team, when carrying out the refuelling procedure, have to be equipped with a powder extinguisher with a minimum mass of the extinguishing agent of 2 kg. Engines must be switched off throughout the refuelling operations. It is required that the crew remain outside the car during refuelling.

Art.8.1.3 Environmental Mat in a Refuelling Area (RA)

The organiser will protect the ground with an Environmental Mat.

Art. 9. Reconnaissance of Special Stages

Reconnaissance will be according to FIA RRSR Art. 35. The schedule for the reconnaissance is published in Appendix 2 of these supplementary regulations.

Reconnaissance of SSS 5 Rzeszów can be performed only on foot at any time.

Reconnaissance of Shakedown Niechobrz can be performed on Thursday, 08.08.2024, till 14:30, complying with traffic regulations.

Art. 9.1 Registration procedure

Recce cars must not be registered.

During Administrative Checks (See programme - SR Art. 3) in the Rally Office, all entered competitors will receive documents necessary for the Reconnaissance: Road Book, Reconnaissance card, plates for the Reconnaissance car.

Each car must be identified with a reconnaissance car number supplied by the organiser. The reconnaissance numbers supplied during registration must be attached onto the Reconnaissance car on the top of the front and rear windscreen (Co-driver's side). They must be visible for the duration of the Reconnaissance period.

Rally cars used in the event may not be used for reconnaissance.

Art. 9.2 Specific regulations

Art. 9.2.1 During reconnaissance, all national traffic regulation must be followed, including but not limited to the speed limits:

- 50 km/h in the built-up area (if the sign does not show otherwise),
- 90 km/h outside the built-up area (if the sign does not show otherwise).

Using the radar detectors is forbidden.

Please note that the Special Stages will not be closed to public traffic during reconnaissance. The organizer may reduce the allowed speed individually by marking the areas in the road book and along the route. Maximum speed allowed during reconnaissance is 70 km/h on special stages, unless a lower speed limit is indicated by traffic signs.

Under no circumstances may competitors drive in the opposite direction of the rally traffic, except in cases described in Recce Road Book but they must maintain an extreme caution. The speed limit on this part of stages during reconnaissance is 40 km/h.

During reconnaissance Police patrols will be located on Special Stages and on the roads between them. They will be equipped with radars for speed control and will cooperate with SS Commanders responsible for reconnaissance control.

Speeding during reconnaissance and / or shakedown will be penalised according to FIA RRSR Article 34.2.

The organizer will control the reconnaissance and adherence to the Polish Traffic Law as well as the other regulations. The crews must show appropriate documents at the request of the organizer's representatives or Police officers and must execute their instructions and commands.

The inspections of the special stages will be conducted on regular basis also before the reconnaissance. Any member of team (competitor, driver and/or co-driver, support personnel) participating or intending to participate in the rally, which will be found present at the any rally SS route before time of reconnaissance, will be considered a person performing forbidden reconnaissance (this regulation does not apply to SSS 5 Rzeszów).

Art. 9.2.2 Only crew can be in the Recce car on each special stage.

Art. 9.2.3 Rally crews are required to present Reconnaissance card at the start and stop point of each Special Stage to obtain time entry (this regulation does not apply to SSS 5 Rzeszów and Shakedown Stage). The Reconnaissance card must be returned at the stop point of the last Special Stage which will be passed by the crew during reconnaissance.

Art. 9.2.4 Reconnaissance cars must have the insurance policy according to Polish Traffic Law Act and no liability can be transferred to the organizer.

Art. 9.3 Number of Passages

The maximum number of passages authorised for each crew on each special stage is two (except SSS 5 Rzeszów).

Art. 9.4 Collection of speed control checking devices

All reconnaissance cars must be equipped with a speed control checking devise. This devise can be collected according to the programme in chronological order (SR Art. 3)

Competitor will receive speed control checking devices upon payment of the fee for its use (100 PLN / 25 EUR) and a fully refundable cash deposit (200 PLN / 50 EUR). The equipment should be disassembled from the reconnaissance car on Friday, 09.08.2024 and must be returned to Rally Office no later than 14:00.

Speed control checking devices used during reconnaissance must be installed in the reconnaissance vehicles in accordance with the instructions included in Appendix 7 of these Supplementary Regulations. In the event that the crew needs assistance in this activity, the GPS service will provide them in the Service Park immediately before the start of the reconnaissance.

The progress of the reconnaissance will be monitored via GPS system, by rally officials. Evaluation of the GPS data is within the competence of Clerk of the Course. Reconnaissance cars not equipped with a working speed control checking devices will be reported to the Stewards.

The fact that the device has been installed and that it is correctly connected to the power supply may be checked by all marshal located on special stages during the reconnaissance of the rally. If it is found that the GPS device is not working properly due to improper installation or the crew's interference in its work, the Stewards will be notified of this fact and may decide to impose a penalty.

Competitor is materially responsible for speed control checking devices installed in his car. In case of damage of this system through fault of the competitor during the reconnaissance, he is obligated to compensate the damage before the first Stewards Meeting.

Art. 9.5 Gravel Crews

Each competitor registered for the rally has the right to use Gravel Crew, in which there may be no more than 2 persons representing the Competitor. Gravel Crew Car marked with special stickers (in accordance with Appendix 6 to these Supplementary Regulations), with the numbers corresponding to the number of the Competitor he represents, will be able to enter the SS route within 80-65 minutes before the start time of first crew for this SS. This car has to navigate the SS in accordance with traffic regulations, in the direction of the course of the SS. In the case of catching up with an "organiser's safety" car, he must leave the SS route and cannot return to it. Breaking the above the regulations will cause consequences in relation to the

represented Competitor, drawn by the Stewards.

Art. 9.5.1 The Organiser does not provide for the possibility of using Gravel crews on SSS 5 Rzeszów.

Art. 10. Administrative checks

Art. 10.1 Documents to be presented:

According to Art. 4.2.9 Administrative Checks will be organised remotely when entry is received. Drivers and Co-drivers are not required to be present at Administrative Checks. Each Competitor may nominate in advance one authorized representative to complete Administrative Checks and collect the materials and documents.

To keep the time required for the administrative checks to the necessary minimum, make sure to bring and present the following documents:

Art. 12.6.4 Re-start after retirement

Art. 12.6.4.1 A crew which has failed to complete a section may be assumed to re-start the rally from the start of the next section following the overnight regroup unless they confirm otherwise with the Clerk of the Course by completing of the form located in the rear of the road book (“final retirement”) and lodging it with the Organiser as soon as possible and, if feasible, before the publication of the re-start list. The car must report to the overnight Parc Fermé prior to the next section following the overnight regroup, no later than 1 hour before the scheduled start of the 1st car. Re-scrutineering will be 1 hour before the start of the 1st driver.

Art. 12.6.4.2 Parc Fermé for re-starting cars

There will be no dedicated Parc Fermé for retired re-starting cars. These will use the same Parc Fermé as for the rest of the event.

Art. 12.6.5 Service Park

Art. 12.6.5.1 Service Park location

Only one Service Park located in Rzeszów will be organised during the Rally. Surface: mixed hard surface.
Location: Rzeszów University of Technology Campus - Rzeszów, ul. Akademicka
Date: from Thursday, 08.08.2024, 08:00 to Saturday, 10.08.2024, 20:00.

Art. 12.6.5.2 Access

Service Park can be entered only with competition cars, Service cars (SERVICE plates) and Auxiliary vehicles (AUXILIARY plates). All plates must be affixed to the upper side of the windscreen on the right (passenger) side. Removal of the sticker and use one sticker on different cars is prohibited until the end of the rally. All cars must be parked inside a service area allocated for a competitor as stipulated in Art. 4.4.5 of these Supplementary Regulations.

Reconnaissance cars and VIP vehicles are not allowed to enter the Service Park.

Art. 12.6.5.3 Service area

The competitor is obliged to service only within the allocated service area in the Service Park. These regulations will be controlled by the Service Park Coordinator. Any infringement will result in charging a double fee for additional service area: 50 PLN per 1 m² – for private entrants and 70 PLN per 1 m² – for legal entrants.

Art. 12.6.5.4 Maximum speed

Maximum speed inside the Service Park is limited by 30 km/h. Failure to comply with this limit shall result in a penalty applied by the Clerk of the Course according to Art. 34.3.4 of the FIA RRSR.

Art. 12.6.5.5 Catering within the Service Park

Apart from the provision of a catering service for the drivers and service crew personnel of a team, any other form of catering or sale of food and beverages in the service park is prohibited. The only exception is possible when a written agreement has been signed between a team and the Organisers. A fine of 4 000 PLN will be applied in case of any infringement of this regulation.

Art. 12.6.5.6 Promotional activity in Service Park

If any team or company would like to organise shows or exhibitions for their guests in service area, they must ask the Organiser for permission before Administrative Checks. All shows and exhibitions in service area without permission of the Organiser are strictly forbidden.

Art. 12.6.5.7 Environment protection

All competitor are obliged to use a liquid-proof tarp (size 4x6 m; thickness min. 0,5 mm) on their service area (under serviced cars). Any damages to the surface of the Service Park have to be avoided. Each Competitor is responsible for the damages to the allocated service area. Teams are responsible for the removal of their waste and sewage.

After the rally, the Service Park has to be handed over in tidy condition. The Organiser will charge a deposit of 100 PLN / 25 EUR. It will be refund after the rally on condition that the service area allocated to the competitor will be cleaned, which will be checked by the Service Park Coordinator.

Art. 12.6.5.8 Flexi Service

For the operation of 45' flexi-servicing, crews will enter the Parc Fermé. After a minimum 10 minutes stay crews may then either enter the Service Park or leave their car in the Parc Fermé. According to Art. 59.2.2 of FIA RRSR, the competing car may be driven by an authorised representative of the competitor only from the Parc Fermé to the Service Park and vice versa respecting all the formalities of time card presentation and related penalties. The competing car may be conducted to the overnight Parc Fermé before the 45 minutes have elapsed without penalty. All cars except re-starting crews have to be in the overnight Parc Fermé no later than at 23:15.

Art. 12.6.6 Testing

Competitors wishing to organise pre-rally tests in Podkarpackie Voivodeship, between 17.06.2024 to 10.08.2024 are required to send a written notice to the Organiser of the rally and get permission before the beginning of tests. Appendix 4 – Decals and supplementary advertising

The organizers will provide each crew with (A):

- One plate fitting into a rectangle (43cm x 21,5cm) which include the competitor number.
- One rear window plate (30cm x 10cm). Must be positioned at the bottom of the rear window, containing fluorescent orange 14cm high competitor number on a clear background.
- Two front door panels (67cm x 17cm). Each panel shall be placed horizontally at the leading of each front door with the number (in yellow) at the front (in both sides). The top of the plate shall be between 7cm and 10cm bellow the bottom window line.
- Two numbers in orange (20cm high). Must appear on the rear side window on the both sides of the car adjacent to the crew's names – flags.

All of the above stickers are mandatory for all competitors.

Optional advertising (B):

Below the two front door panel the Organiser reserve an area of a panel measuring 23cm in length an 35cm in high for the organizers sponsors, who will be communicated by bulletin.

Championship identification (C) – only for ERT Eligible vehicles:

A space measuring 67 x 6 cm, located immediately below the competition number panel, is reserved for the promotion of the FIA European Rally Trophy.

Appendix 5 – Extracts from FIA ISC Appendix L relating to overalls, helmets and any other safety requirements

All competitors are reminded of Appendix L of the FIA International Sporting Code, in particular its Chapter III - Drivers' Equipment.

Helmets (Appendix L, Chapter III, Art. 1)

All crews must wear crash helmets homologated to one of the FIA standards listed in Appendix L.

Frontal Head Restraint (FHR, Appendix L, Chapter III, Art. 3)

All crews must use FIA approved FHR systems homologated to FIA standard 8858.

Approved FHRs, anchorages and tethers are listed in Technical List N° 29.

See also helmet compatibility chart in Appendix L, Chapter III, Art. 3.3.

Flame-resistant clothing (Appendix L, Chapter III, Art. 2)

All drivers and co-drivers must wear overalls as well as gloves (optional for co-drivers), long underwear, a balaclava, socks and shoes homologated to the FIA 8856-2000 standard (Technical List N°27) or to the FIA 8856-2018 (Technical List N° 74). Please pay special attention to the prescriptions of Art. 2 **concerning the correct wearing of the clothing elements! See also FIA Regional Rally Sporting Regulations Article 53.1.**

Any FIA-approved 8856-2018 garment customised using printing or transfers must be accompanied by a certificate from the manufacturer.

FIA Priority drivers (and accompanying co-drivers) must wear overalls as well as gloves (optional for co-drivers), long underwear, a balaclava, socks and shoes homologated to the FIA 8856-2018 standard (Technical List No 74).

Biometric Devices (Appendix L, Chapter III, Art. 2.1)

Drivers may wear a device to collect biometric data during racing.

- If the biometric device is integrated into a protective garment homologated to FIA Standard 8856, the garment shall be homologated to FIA Standards 8856 and 8868-2018.
- If the biometric device is a stand-alone device, then the device must be homologated to FIA Standard 8868-2018 only. This device must be worn in addition to the garment homologated to FIA Standard 8856.

Wearing of jewellery (Appendix L, Chapter III, Art. 5)

The wearing of any type of jewellery, such as but not limited to, neck chains, bracelets or watches is prohibited during the competition. Exceptions to this rule, providing the CMO and/or Medical Delegate do not consider that due to size or location they may delay rescue or hinder emergency care, are:

- i. the wearing of watch(es) by co-drivers, on the condition that the watch(es) is worn over the overall,
- ii. the wearing of a single band-style ring providing it does not restrict the natural range of motion of the hand, and
- iii. the wearing of body piercing(s) providing they are not worn in and/or around the oral cavity.
