

Rally Of The Lakes

KILLARNEY 4th - 5th MAY 2024

DECISION No. 1

21:20 5-5-2024

To: Competitor John Hickey Car No. 69

The Stewards, having received a Vehicle Scrutineering Reject Report, a report of failure to follow the instructions of an official and a report of threatening language from the Chief Scrutineer summoned and heard the competitor John Hickey (summons No.1), have considered the following matter, determine the following:

Fact: The Competitor refused to dismantle components as requested by the Chief Scrutineer, the Competitor refused to sign the Vehicle Scrutineering Reject Report and the Competitor removed his car without permission.

Offence: Breach of Article 16-16.1 of Appendix 29.1 of the Motorsport Ireland Yearbook.

Decision: Exclusion from the event results.

Reason: As the competitor refused to follow the instruction of the scrutineer to remove parts to allow measuring of the turbo restrictor and removed his car from eligibility checks which were under Parc Ferme conditions he did away with his opportunity to prove that his car complied with Article 16-16.1 of Appendix 29.1. As a result of his actions the car must be deemed to not comply with Article 16-16.1 of Appendix 29.1. The report of threatening language was regarded as a misunderstanding as the competitor clarified that it was absolutely not his intention and this was accepted by the party involved..
