Thank You

A BIG Thank You to ALL who participated in making the Wexford Volkswagen Stages Rally 2024 a Success!

The Wexford Volkswagen Stages Rally 2024 has come and gone. The consensus is clear: the Wexford Volkswagen Stages Rally 2024 was a high-quality event (and the after-parties weren't too shabby either!). By all accounts, it was a fantastic weekend.

A tremendous amount of hard work went into ensuring that the Wexford Volkswagen Stages Rally ran smoothly and like clockwork. We would like to extend our heartfelt gratitude to everyone who played a part in making it happen.

Our team did an excellent job organizing and managing the event, ensuring it was well-run, professional, and enjoyable.

A special thank you goes out to all the members of the organizing committee. There are too many of you to name individually, but without such an informative and hardworking team, this success would not have been possible.

Thank you to our sponsors, Wexford Volkswagen, without your support—both in sponsoring the event itself and in your ongoing contributions—this rally could not have achieved such success. We also appreciate all our program and stage sponsors who continue to support the event.

A massive thanks to all the marshals, timekeepers, stage commanders, officials, and everyone else involved. Without you, there would be no event. With over 300 people required, it's a tremendous task, but one that was executed excellently and kept everything locked down and safe.

A huge thanks to the residents, Motorsport Ireland, Wexford County Council, An Garda, HSE, Fire Services and all medical personnel.

Thank you to all the competitors! Without you, we wouldn't have had an event. It was a pleasure to host you all, and we truly appreciate your cooperation throughout the weekend. We hope to see you again in 2025.

Declan Boyle and Patrick Walsh, congratulations on your excellent win—well done.

Finally our ultimate goal now for 2025 is to make the event even bigger!
