### 1 Reconnaissance

#### 1.1 Reconnaissance Rules

Speed limit is 25 MPH

Stages will be open to two-way traffic during the Reconnaissance period

Competitors must check in at the start of each stage

Competitors are limited to two passes of each stage

Competitors are only allowed to perform reconnaissance in the direction of the route. The only exception is the portion of road that is shared between Gypsum-Belltown and Pit of Despair inclusive of the section of Gypsum Belltown that is part of the transit to Pit of Despair. Turning around performing multiple passes of any subsection of the course will be considered in violation of this rule.

NOTE: Volunteers will be on stage setting up the course be prepared to encounter stopped vehicles

NOTE: The building that contains the start location for SS1/3/5/7 will be used as the scrutineering location. Be prepared to allow space as you drive through that building during recce

Competitors found in violation of these rules could face penalties under GRR 2.27
