Recce Instructions

Before you start your Recce please read and understand the following instructions, if you have any questions, please ask!

Recce timings:

Friday 12:00 – 17:30 – signing on is open 11:30 - 17:00.

Saturday 07:30 – 14:30 – signing on is open 07:30 - 10:00.

- The Sportstrax Recce Tracking App – “Tracky” must be working before you leave to start your recce. This should always be active, not just on the stages, it is easier to set it going and leave it running in the background.
 - Set the permissions for the Tracky App location to “**Always On**”.
- The Recce speed limit is **30mph** on the stages unless a lower posted speed limit applies. The Tracky app will record each instance of you exceeding this limit and your actual speed.
- Stick your Recce numbers on the **outside** of both the windscreen and the rear window.
- You will find the Recce Timecard at the back, fill in the details of the crew and car and then the times you start and finish each stage. It should be handed in at MC0.
- You may complete the stages in any order to reduce congestion. You may be asked to start at a specific stage.
- You can recce each stage twice. You must drive the complete stage in one go and cannot complete individual sections multiple times. Leaving the stage at a point other than the stage finish or completing more than 2 passes of any section of the stage could result in a penalty.
- A roadbook has been provided to take you from the Stop Line of each stage, back round to the Start line of the same stage. You do not have to drive the entire loop twice, think about your best route.
- There are toilets placed at the arrival / start of each stage. Please use them.
- Make sure you finish your Recce in time, first car leaves MC0 at 13:01 on Saturday.
- There is no opportunity to Recce stages 1-4, a map will be provided.
- A breach of any of these requirements will result in a report to the Clerk of the Course and may result in a penalty.

We rely on our resident's goodwill and support for this event to happen - let's not have any complaints about poorly behaved Recce crews on the 2026 Hills Ford Stages.
