A. Amendments to the Supplementary Regulations of the Rally

12.15 Finish procedure (add)

Between TC 20A and parc fermé, cars will be under parc fermé conditions. There is no time control at the exit of the podium area nor at the final parc fermé, but the maximum allowed time from the podium to the parc fermé (or final scrutineering if applicable) is 45 minutes. A dedicated time card will be handed to the crew at the podium exit and collected at the parc fermé entrance. Any competitor exceeding the maximum allowed time will be reported to the Stewards. Cars can be driven by a team member.

Recovery of any competing car which fails to arrive under its own power to the final parc fermé shall be the responsibility of the competitor. The permission of the Clerk of the Course must be obtained before any recovery arrangements are made.

12.20 Route Note Cars (add)

Latest time to enter special stages is 90 minutes before the first rally car. Route Note Cars are not allowed on SS 5 Platak 2.
