## SERVICE SCHEDULE

To assist teams with planning, the organisers have prepared a service schedule, which gives you the following information based on the preliminary itinerary:

- Start time for 1<sup>st</sup> car.
- Competitive distances to be covered by the rally cars, for calculating fuel consumption.
- Expected time of arrivals for each competitive stage and liaisons.
- Distances service vehicles will cover.
- Please take note, 30 mins (S+) service after each end of stage is factored into the target time of the liaison.

End....
