MANX INTERNATIONAL CLASSIC TRIAL 2026

GENERAL INFORMATION & HISTORY

In 1996 a small band of local trials enthusiasts from The **Manx Trials Club** put their heads together and organised the first Manx Classic Weekend Trial for 53 local Twinshock/Pre 65 machines. Little did they know what a successful and long running event this would become.

The Manx International Classic Trial has developed into a major international event and is held every year in late August/early September immediately following the Manx Grand Prix/Classic TT.

This years event will run over the weekend of 29th and 30th August 2026. The event regularly attracts competitors from all over the world who relish the opportunity to ride proper classic trials sections amongst the spectacular scenery of our island and the 230 rider entry list is always over subscribed. For many of our visiting riders it has become their number one 'must ride' event of the year, a fact our Club is very proud of and strives to maintain. The event also regularly attracts TT / Manx Grand Prix riders past and present for a fun weekend at a slower pace.

There are classes for Pre 65 and the slightly more modern Twinshock and Air Cooled Monoshock machinery with an option of riding the Premier or Clubman routes through the sections, but the main object is for everyone to enjoy a sociable, but non the less competitive, sporting weekend in our scenic countryside.

The **Manx Trials Club** committee is delighted to welcome everyone to this years Manx International Classic Trial and hope you have a thoroughly enjoyable weekend.

We are grateful for the support received from the Isle of Man Government Department for Enterprise
