Opening

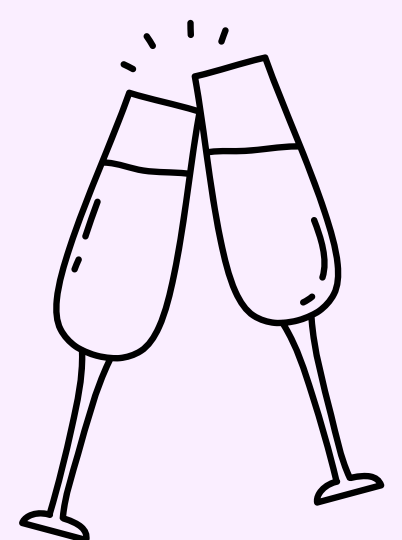

We will celebrate the opening of the 20th Anniversary ISU Adult Figure Skating Competition on

Saturday, May 16th 6pm

in the small ice rink (rink 2).

We planned welcome words from the organizers - including special guest ambassador of the event Norbert Schramm. Afterwards there is time for prosecco, lots of dancing on the ice and chatting.

For this occasion, we would like you to come dressed in your nations flag colors so you can instantly spot your fellow teammates from the same nation. You can also bring your nations flag.

Pre-Opening

This year we offer a special pre-opening event which everybody can join for free.

We invited **Ben Burgess**. He is a performance coach and the founder of "Unlock Your Potential," a concept focused on personal growth, mental strength, and physical performance. Through his work, he helps people unlock their full potential and achieve lasting personal development.

His movement workout **"MOVE TO WIN"** in **rink 1** on **Saturday, May 16th 2026** at **5pm** right before the opening ceremony will prepare you for the upcoming competition days.

Do you think you can UNLOCK YOUR FULL POTENTIAL?

Tickets

The competition is accessible for all spectators that are interested in watching. Ticket prices are as following:

- Ticket per Day: 8€
- All-Event Ticket: 25€

Accreditation will be given to all competitors. Coaches have to purchase a ticket at the cash desk.

Travel

The easiest, cheapest and most environmental friendly way to get to Oberstdorf is by train with the regional day ticket for Bavaria (Bayern Ticket). It is valid from 9am for the whole day and you can use it as a group up to 5 people. All train connections can be checked on the Deutsche Bahn Website.

For flight bookings, please be aware:

- no arrival time at Munich Airport should be planned later than 6pm
- no departure time from Munich Airport should be planned before 10.30am

Unofficial Practice

During unofficial practices skaters have time to play their music once. A list with all skaters of the training group and the music rotation will be posted in the Sportity App (Event-Code: Skate26Obi). Please check the music rotation list to give everybody the chance to play their music at least once during practice. At busy practices we will try to have volunteers on site to help you with the music and ensure a fair procedure. Unofficial practices are a good time to doublecheck the music you submitted. iPads / Laptops from the OC will be provided for you to see if your music is the correct one for competition.

In case someone can't make their booked session and wants someone else to cover for them or two skaters want to switch their booked session, you can always come by the OC office and we will try to manage things smoothly.

NOTE:

The unofficial practice sessions are not guaranteed. We try our best to fulfill everybody's wishes as good as possible. Due to the limited ice time and your overwhelmingly high demand we are not always able to please everyone. We hope for your understanding and support.

Victory Ceremony

We will honour all skaters in each category at the Victory Ceremony. This year there will be two ceremonies each day (5pm and after competition, except Friday). We ask you to be at the rink with your costumes and skates. The schedule for the ceremonies will be posted on the Sportity app (Event-Code: Skate26Obi).

Please be ready in your categories and ordered by placement to ensure a smooth and quick process.

There will be the opportunity to take photos after the honouring, please have your photographers ready as there will only be a short amount of time for each category.

Volunteers

There are still a few spots to be filled by volunteers for help at practice sessions, security for the main door, help at opening etc.

If you are interested to volunteer, contact the OC office and let Tatjana or Alex know.
